The Committee respectfully suggest the propriety to appoint a suitable person to call upon the Citizens generally with a book provided for the purpose; to solicit them to become Members of the Maryland State Colonization Society, by a Subscription of not less than One Dollar to be paid annually on the first day of January — the first years subscription to be paid at time of subscribing. The person who may be appointed — to be furnished by the Secretary with a list of Life Subscribers. —

The Committee regret that it is not in their power to furnish a complete list of the Members who compose the Maryland State Colonization Society. the papers which are necessary to compose a correct list of Life subscribers — Annual subscribers — and donations, are not attainable.
