Executive Committee of the Md S. C. S.

Dear Sir,

The foregoing account current exhibits the amount expended by me under the authority of your letter of the 30th ~~Oct~~ ult. & shews a balance in favor of your Society of thirty five dollars 07/100 -

I sincerely regret that, owing to the complicated nature of my duties, I am not prepared to submit to your committee a detailed specific account of every article contributed by me to the emigrants now on board the Lafayette. -

The inclosed papers contain but a general account, & are only offered as an outline of the course of distribution I have observed -

The emancipated slaves, especially, the women & children, have received the largest share of furnished clothing, & second hand cotton clothes. - It is due to all the rest, that I should state, that in this plan of distribution they heartily concurred. -

In conclusion permit me to state that
