comfort and happiness, the aliquots of a growing and prosperous community.

The Fifth annual Report of the managers of the Maryland State Colonization Society, a copy of which is herewith submitted, will show the very promising condition of the Colony at Maryland in Liberia, and will also explain the operations of that Board during the past year. The State Managers, having as before stated, availed themselves of the agency of the State Society in the fitting out and sending to Africa, the expeditions which have been dispatched, they respectfully beg leave to refer to the accompanying document, for those details which it has thus become unnecessary to enlarge upon in this report.

The whole number of Emigrants during the year was forty nine, which added to those heretofore reported makes the total number of Three hundred and sixty six persons who have left this country under the direction of the State Managers.

The amount drawn from the Treasury was thirteen thousand dollars, the expenditure of which is shown by the account accompanying this Report.

The number of Manumissions reported to the Board for the year ending the 31st December 1836 is Two hundred and seventy six, of which as usual many are to take
