On a thorough examination of this book this day, many very great errors have been found in numbering the Manumissions, for instance, N° 3099 is numbered by 4000. N° 4299 by 5000 5099 by 6000. 6138 by 7040. and sundry others of less consequence. It is therefore determed to commence a new series of numbers. The foregoing entries have all been correctly counted & they number in all 3943 only. Therefore the first entry on the next page is 3944.
