Gentlm

I have rec'd your Circular of the 28th Ult. and will with great pleasure give you all the information therein required so far as may be practicable. It rarely happens that persons manumitted by last Mill, call at the Registers office until they call to obtain a certificate of freedom. and there are persons of that description in this County who are, and have been entitled to their Certificates for years past who have never called. whether the act of last Session will induce such to call when hereafter manumitted, is yet to be ascertained — The executrix of Nancy Ashman's Will resides in the vicinity of Keys town in this County; and Ben & John are hired as ostlers in this City the former to Mr. John M. Brish and the latter to Mr. Thomas of the City Hotel, such has been my information. I have the honor to be respectfully your obt. Servt.
