Attest
Nathan Lee.

Deed No. 3.

From King Neah Weah of Bowreh
Executed the 25th Novem. 1835.

Know all men by these presents - that I Neah Weah king of Bowreh & Helf Cavally and we whose names are hereunto affixed Headmen of said Bowreh do hereby grant deed & convey unto James Hall Agent of the Md. State Colonization Society & by & through him to said Society the territory now under our jurisdiction called Bowreh and bounded as follows, viz. Beginning at a point on the sand beach about one mile west of Cavally Point, the same being the boundary line between Cavally & Grahway, thence running in a north Easterly direction to the Cavally River thence on the West side of the Cavally River to the territory occupied by Cragh headman of Watta. thence in a line running nearly South West to the sea beach about four miles West of the mouth of the Cavally River, thence west along the sea beach, about four miles to the point of starting including the whole territory possessed by the Bowreh people East of Cape Palmas, excepting so much thereof as is at present occupied as Town farm lots or burying ground. And it is hereby agreed by said parties that the same shall be and is hereby annexed to and be comes a part of the territory now belonging to the Md. St. Colonization Society & the inhabitants of the same shall unite with the American Colonists in defence of this their common country. And it is further agreed that all palavers arising between the above named king of Bowreh or any of
