berry Number os are of the party he being a Great Gentleman in his Country, & Pabah a gentleman in his I have here more Jelausly, & Prejudice Exciting to Remove this i have more a Difficulty, particular a many Heathens And as i Started with a Determination to Rece be the Yah Country if i had to lage my way a large to Mr Bank becoming a little out of patiance, Requested me to lay hold on this palaver, I Since that the abtticles, could be Removed, & it Wanted patiance & Consideration, When a man is in a passion he loses Command of himself, & is Not Capable of Reasoning We Met Jno Davis at this Town from Cappalmas, I took him & Maidree of as a handle in this palaver first he being a friend of pepper I first Had a private interview with Davis, told him our object Whom sent us & What we where going to the Yah Country for also told him, the Have pepper Manned Carried to the Governor and Who Carried it their, and about this yah man that were in company After opening the Whole subject to him, a Cant Wassa Baker being in this 2nd person as our gid to Governor Rathmanny He Accordingly Condemned Wassa, B. proceeding I then Same pepper in Company With Banks, Davis & Charls, I told pepper, the object of our visit through the Country, and also told him that Wassa had Told the governor that he was going to that Country & that he had men at his Town from the Yah C & that he Should Weight till our arrival in his Town, that might be our gid, &c He heard me patiently I used a gadole of flattery & Sofistry with him and Davis Helping me all he Could, So pepper Concluded to go, Blamed Wassa for his Sayings that is, he had Known Right to make mention of his Name to Governor Rutmanny, after Giving his Consent to accompany us and Cleared up all palaver at this Town We got Ready to go to the Bige town, theire we intend to Scape for the Night, this Being the Bigest town or the most portant town of this Country it were thought best for us to Spend 2 or 3 Days here, and also to Git our Clearance from here, the Sun so Could all our party to gethers When it Down to the River did to Crosh in a canoa some of our party Crossed over an Walked, Mr Bank Charls & my self 2 or 3 Natives Concluded to go up the River in a Canoa to the town the Night but the Current were too Strange for the force we had

We Turned back crossed over on the other shore which were the Native lid & Walked to the town Reached the town in an hour Supposed to be about 5 Miles from pepper town, We entered the King House Changed our Clothes We were Not from wading in much water to our arms pots and a great deal of Rains fell that after noon It was late we got Supper & Returned to Rest as Well as we could, a Lazy Number of people surrounded our house Men Woman & Children, so their were not much Rest for us being very Weary We Rested turable Well that Night, Not thinking that we would have more palaver to Contend With, sent for the King of this town, the Head King of the Country is Dead and the Country is in an unsettled Condition The King Came to us he is a young Man about 35 year, very Kind and accomodating to us Mr Banks opened our the object of our visit through the country he hired him patiently informed him that he would do us a faine, When he Would Consource with Wassa Baker & myself of him about this visit, We Rested easy on this, there from Wassa Movents in this town & with this Mind we liked to have he Stayed, Mr Banks having Grabo & i Not having therefor i did Not know what more going on as I had but little to say in any palaver only where i a Difficulty about to take place there i would come in forceable Without Regard Barbaba Visit Friday Morning 17th

Rose very Early this Morning walked about Town, I find that this town is the Great Commercial Mart where all the Traders from Cappalmas, Cavela, Jabba Came to By Wood the Country, they obtaine from the Different tribes behind there goes to Jabbood Beerabe, Mr Bank Carried a palaver this Morning a bunch Nine a Clock, I Old Men Belonging to the town with King Gbekor, to here our Word, Mr Bank opened the palaver to them told them our errent, they Grumble much about our having palaver with us as our gid, & that he should Not pass the Country they said that our Further, that is our governor is had Done Great things for Pabah, & they had Nothing, that is No but No gunn nor unterwater and other thing that they brought up, So they left us just so. Without an answer, Expecting there Men, would Meet us a gaine some time in the Day, the Weighter but they did not Come the Leather there Bare of Palaver there they said they would be us a gain
