Jawen Watta Saterday Morning 18th 184

this Morning Rose Verry Early about 7 an 8 a Clock the Head Man Called on ous, the Sabes were handed to them they thanked ous, they promised to give an answer in the after noon, In the Day passed Away, Noticing the Country this people Raise quantity of Indian Corne, Cassiauate the plantain to a greater extent then the Beach, Rice they Raise in a bundance, the African Iron is more used here, then the English man in Making their Instrument, they obtain the Iron, from a people Called the Didaba Tribe, which is 8 Days walk from this town (Watta) Watta is about 120 Miles from Cappelmas in a N.E. line from the Cape, is a town of Considerable Note, I saw some of the Iron Worked, up it is Superior to the English, there is in this Country a Kind of Cane called the Country abound in the greatest of plenty & also the Manufactory of the palm oil, At Night we hired that we could pass the next Day we more glad to here it so we packe up our thing at Night, to start in the Morning hoped to arrive our selves the Best Way we could for fear we might Meet with further Discouragement.

Watta Sunday Morning 19th

this Morning the Head Men and the King Called on ous & told ous that we could go, so we Called all our party & Departed, Mr Bank Myself Charles Mc Intosh our 5 Natives from the Cape Yaleah & his 2 Women & 3 Boys Glotter & one Mauman & Boy, Pepper & his Woman & 2 Boys & 2 pak men left about 7 a. Clock for Enaba Town Yeadapeow, after Walking very Hard this Day Heading through a Deal of Marsh & the path very Bad about 12 a Clock we came up after passing one Small Town, to Gittoe in the Yabba Country stayed and Got Dinner which took about an hour & 1/2 left their, passed on to a Nother Town, in the same Country & where we were to Sleep, this Town is Named Cebla on the Cavala River we Reache their about 1/2 4 a Clock Rested there all Night on purpos to leave in the Morning. When we arrived in town we were informed that the King Head Woman was Dead & he could not Receive ous, so we put off

a Nother gentleman Jawe Rested pretty well in the Night being much fatigued, this Town Boring S from Watta River Running by the town N.E.

Yabbay Cebla Town Monday Morning 20th

Rose this Morning about 5 a Clock had Breakfast by 7 & were across the River by 8 all Hands took the path for Enaba Walked that Day may part Heading through a great Deale of Marsh which is Natural Creeks a Number of Branche & River Reached Yeadapeow in the Enaba Country about one a Clock, Here we Kindly Received by there people, furnish ous a house, we Changed our Clothing they prepared something for ous to eat, When we first arrived in town, Most of the people where out Cutting Wood Came Down, the Drum was Beat & in a hour & 1/2 they came Running in Numbers overjoyed at our visit this people taken great Care of ous, found ous a plenty to Eat, such as the town could afford fowels fish Cassada plantains in a bundance Rice peach Meat &c So we had no occasion to Gamble, this town is about 60 Mile from Cavala & is on the Cavala River our Course from Cebla East By Land, our Number in Company amounted to 33 When we arrive at Yeadapeow the King of this town is Name Sabbar.

Enaba 6 Yeadapeow Tuesday Morning 21st

this Morning a large Number of people from the surrounding Country Came to see ous Never seen a white man before, this people are what is Called the Canable, But they Dont practice there Barbarous so much now, as they did some years back, & now since they have seene White Men Came to their towns, they Cant so this no more

The Cavala River Runs by this town N.E. a bed of Rock Running E.W. extend Nearly a Crafts former a Handsome Cataract, passable on the East Side by Canoes Large ones, Mr Bank Wase informed at Night by pepper & Glotter our Gids, that their Wase were between the Enaba people & the pak people, & that we could not pass till this palaver was Set & then they would open the path, which had been so long Shut up, these Gid of ours took Courage & imbrace the opportunity, as they had a Pak Man in Company to set this palaver, as this Man (Pak) were from the same town
