Staying in this Country, his blood is not to be spilled, he is not
to be Caught except in case of Debt & that is where the person
is not willing to pay, And also Enabo Man Coming to
Cappalmas is not to be hint, or his blood spilt & not to be caught
except fore the above mentioned called & that hereafter the path between

by word when all had got through, A Goat were brought by one
the King aide, presented to us as a Dash, they order the goat

the King proposes to have the Rode Cut open for us that is his
part & if Stopped By an Enabo Man, or Cappalmas man he is to
pay, King Sabba sent out a Number of men to mend
the path & the River, and to Cut away the Bushes, As We Expected

which were thursday paid 22 or 3 flints for opening the Road Supp
osed 20 miles Mr Banks did not whom to give it, because he did not
agree with this, Mr Jarra said these people being so kind to us
