WISHING

Do you wish the world were better?
Let me tell you what to do;
Set a watch upon your actions,
Keep them always straight and true.
Rid your mind of selfish motives,
Let your thoughts be clear and high;
You can make a little Eden
Of the sphere you occupy.

Do you wish the world were happy?
Then remember day by day
Just to scatter seeds of kindness
As you pass along the way;
For the pleasure of the many
May be oftimes traced to one,
As the hand that plants the acorn
Shelters armies from the sun.

u wish the world was better,
remember day by day,
an't speak well of others,
ave anything to say.
to help you daily,
ght, be good, be true;
and kind to others
have them be to you.

that you can do this,
way is, be good and kind;
say bad things about you,
miss them quickly from your mind;
he day is not far distant
en you and I and all shall know
reward that now awaits us
For our actions here below.

THE Centreville Observer, in its last issue, has a plain statement of the agreement between the Kent and Queen Anne's School Commissioners heretofore correctly stated in the NEWS. The Observer says in part:

"In the explanation recently published the School Commissioners contradicted the statement of the KENT NEWS that the amount paid the Kent Commissioners was nearly eight hundred dollars. At that time the Queen Anne's County Commissioners understood that there were twenty-eight scholars from Queen Anne's attending the Kent county schools.

"When asked for additional information, Superintendent B. J. Grimes made a further search and found that instead of twenty-eight there are fifty-two scholars from Queen Anne's attending Kent schools. There are twenty-eight attending the Chestertown High School; eighteen attending the Millington school and six others attending the Morgan Creek school. This number, at the rate of $15 per annum, costs Queen Anne's just $780. There are six Kent children attending Queen Anne's schools, and this, consequently, reduces the amount to $690"

The exact amount will not be known until the end of the school year. Now, cotemporaries, you published a contradiction of the NEWS article, will you in justice to all concerned publish the facts as first inserted in the NEWS?

The Parcels Post

There was inaugurated Jan. 1st, 1913, the new system of Parcels Post whereby cheaper transportation is made possible upon practically every sort of merchandise except in a few prohibited articles.

The advantage is incalculable in saving and convenience. Residents in outlying districts, particularly those favored by rural free delivery, will find this system to be of inestimable benefit to them.

Intricate as such a massive system was to work out, those in charge of it have simplified it into easy working form.

Following our usual rule of prepaying charges on purchases of $5.00 and upward, within a hundred miles of Wilmington, we shall further extend this privilege under the Parcels Post system. Under the zone system as arranged there is a sliding scale of rates covered by distance.

As a guide to the prepaid postage charges you can gain an idea from the following table:

First zone, weight one pound, 50 miles, free on $1.00 purchase.

Second zone, weight one pound, 150 miles, free on $2.00 purchase.

Third zone, weight one pound, 300 miles, free on $2.00 purchase.

Fourth zone, weight one pound, 600 miles, free on $2.00 purchase.

Fifth zone, weight one pound, 1,000 miles, free on $2.00 purchase.

Sixth zone, weight one pound, 1,400 miles, free on $2.00 purchase.

Seventh zone, weight one pound, 1,800 miles, free on $3.00 purchase.

All purchases weighing up to 11 pounds, which can be packed to conform to regulations, will be delivered free in above zones where purchases equal in proportion those mentioned under the single pound rate, in other words, when sending orders to us you can figure approximately on FREE DELIVERY being based as about 5 per cent on your purchase.

To give an idea as to relative weights of merchandise in our line note the following table, including necessary packing:

Pair of Corsets, 29 ounces. Table Cloth and Napkins, four pounds. Half dozen Towels, three pounds. Girls' Serge Dress, five pounds. Girls' Wash Dress, two pounds. Woman's Cloth Suit, eight pounds. Woman's Cloth Coat, eight pounds. A pair of Wool Blankets, six pounds. A Down, Wool or Cotton Comfortable, five pounds. A Linen Dress, two and a half pounds. A Wool Dress, two pounds. Six pairs Hose, one and a half pounds. A Silk Dress, one and a half pounds.

In our organization we have sales people who are thoroughly competent, and you can in many instances entrust with safety to us open orders for many things with the assurance of their being sent promptly and to your satisfaction.

Goods shipped by Parcels Post are returnable only when return charges are paid by purchaser.
