FIVE SCHOOLS CLOSED

County Commissioners Refused To Give Money To Keep Them Open.

The Kent County School Commissioners on Monday last decided to close five schools in Kent on account of lack of funds to keep them open. These five were selected because they had not an average attendance of ten scholars for two successive quarters of the past year. The schools that will be closed with their teachers are as follows:

First District, near Millington—Miss Huhn, teacher.

Second District, Hibernia—Miss Hill, teacher.

Third District, Urieville—Miss Boston, teacher

Sixth District, Fancy—Miss Julia Nicholson teacher.

Seventh District, Wilkins' Lane—Miss Cooper teacher.

The school commissioners say they regret very much the closing of these schools but they were forced to do it.

Superintendent Smyth went before the Kent County Commissioners several weeks ago and asked for more funds to keep all the schools of the county running. The County Commissioners refused to give more money and consequently the school system of Kent must suffer.

The education of the children of the county is one of the most important duties that should be performed and we regret very much that politics should be brought into the schools and just because the school board cannot be ruled by one man they should not be handicapped and the poor children of the county be made to suffer.

The school board are short of funds and even now haven't enough money to pay what they owe the teachers for the past year's work.

CARD FROM MR. AHERN

I wish to announce to the patrons of the schools which a majority of the Board ordered permanently closed last Monday, that I was not present at the meeting on account of not being well and rainy weather; that I was not consulted in reference to the matter, and that I am opposed to closing the schools.

I believe it due the patrons of the schools that my position on such an important question be known.

I am assured by the majority Board that if funds are furnished by the County Commissioners these schools will be re-opened this fall.

JOHN P. AHERN.
