THE MEN'S STORE

CHESTERTOWN, - - MARYLAND

LOCAL NOTES

THE rain on Monday and Tuesday broke the long drought in this section.

THE storm of Monday blew down trees and shook houses at Rock Hall.

THE excursion to Atlantic City Tuesday was well patronized, three-fourths of the passengers were colored.

A CHESTERTOWN merchant not knowing of the war prices sold two barrels of sugar at 5½ and 6 cents before he realized the cause of the "run."

JUDGE LINDSEY is to be one of the big speakers at Chautauqua in Chestertown Aug. 31—Sept. 6.

ROBT. HUEY has a curiosity in the shape of a block of wood made up of several kinds of wood and so put together that it is impossible to detect how it is done. It is the work of his father who lives in Seaford.

ONE of Chestertown's wise providers laid in enough sugar, coffee and flour to serve him a whole year before the war prices were announced!

DON'T forget to bring your tickets when you come to the semi-annual distribution of prizes at Graham & Thomas, Chestertown this Saturday. They are necessary!

THE police justice at Rock Hall, Mr. Sam'l M. Taylor has resigned and Mr. Herbert A. Urie has been appointed.

SHERIFF BROWN has named his son-in-law, Mr. Mark Perkins, as his deputy in place of Mr. Bolton resigned to become clerk at Voshell House. Mr. Perkins brought a player-piano with him and now sweet music emanates from the jail instead of the wailful songs of colored prisoners. There is but one prisoner in jail and he is a "trusty" about the place!

AN ice cream treat was given the scholars and teachers of Christ Church Sunday school at the church Wednesday evening. About 300 tickets were distributed and an enjoyable evening spent. Victrola music was furnished by Mr. C. N. Satterfield. The "cradle roll" table elicited considerable merriment.

AT 2.30 p. m. last Sunday fire was discovered in the second story of a two story frame dwelling at Melitota owned by Mr. N. Leiberman and occupied by George Long and family. The occupants of the house were entertaining company at the time the fire was discovered, and, although Mr. Leiberman and others worked hard, the place was completely destroyed. Sparks from the burning building started the stable burning, but it was extinguished. The house was partially insured in the Kent Mutual.

THE colored residents of Chestertown are to be commended for their deep interest in church affairs. It is seldom that a community can be found erecting *two* churches at a cost of the two edifices now nearing completion in Chestertown. One is on Cross street and the other on College avenue.

THE Chautauqua car in charge of Harry Harbach and Robert Gottschall has thoroughly posted Kent County this week. These young men are a credit to the Association and work like Trojans.

THE Chestertown market has been deluged with fine peaches at 35 and 50 cents per basket. Sweet potatoes, corn, butter beans, squashes, watermelons, cantaloupes, tomatoes, pears, grapes, chickens, &c., &c., are in market in abundance.

MAY BIRD, a sorrel pacing mare owned by Thad Windsor, of Milford, fell on the Tasley, Va., racetrack Saturday afternoon and was so badly injured that she had to be killed. The mare was valued at $15,000 and had a record of 2 12¼. Harry Windsor, the driver, escaped with slight injouries.

THE Millington Bank is paying 4 per cent. on savings deposits. The last report shows a sound condition.

WHEAT, coffee, sugar and other commodities are soaring in price. Wheat is quoted at 93 cents in Baltimore. Sugar is being sold at 7 and 8 cents in Chestertown.

DAVIS & SATTERFIELD have furnished Frank A. Hurlock with an up-to-date delivery wagon. Mr. Hurlock's trade is increasing and his advertisements read with interest. See change this week.

E. H. BECK has sold the Sinnickson farm, located in the First election district of Cecil county, containing 323 acres, to Davis Bros., of Middletown, for $15,500. Also sold the B. R. Lee farm, near Newark, containing 166 acres, to Charles H. Hastings, of Selbyville, Del., for $10,000.

GEORGE W. MERRITT, who resides near Warwick, lost a valuable horse Saturday. The animal dropped dead at the plow from being overheated. Mr. Merritt has been extremely unfortunate this season, he having been laid up for four weeks with a broken leg, and this is the third horse he has lost since March.

IT is reported that Charles Drinkwater, who formerly lived with Mr. and Mrs. J. E. Ringgold, Chestertown, was drowned near Wilmington, Del.

THE Ford lots are to be sold in Chestertown next Tuesday.

THE WAR SITUATION.

Latest advices from the European war zone indicate that there has been no great change in the situation about Liege. The Germans still occupy the town itself, but the forts are holding out. The German main army in the north is reported intrenching itself on the Ourthe, while two large divisions of cavalry have reached Tongres, north of Liege. It is believed that a general advance is in preparation and a battle imminent, in which the Germans will be confronted by the allied Belgians, French and English.

The French at Muelhausen, Alsace, met with opposition after their occupation of that city. A superior force of Germans caused them to leave the place and take position outside, where an action was faught, details of which have not been made public.

Fighting has evidently occurred on the Russo-German frontier, as six carloads of German prisoners were reported to have passed through Vilna Tuesday on their way to the Russian interior. Russian have concentrated a considerable army in Finland, thus disposing of German reports of the landing of a German army corps there.

Germans are said in Belgian reports to have lost 2000 killed, 20,000 wounded and 9700 prisoners in the recent fighting in Belgium.

Aviators are at work constantly on the frontiers of France and Germany endeavoring to observe the concentration of the respective armies.

A number of merchant vessels have been captured by both contestants and neutral harbors are filled with ships afraid to venture out.

A Superior Court Justice To Lecture At Chautauqua.

Judge R. M. Wanamaker of the Ohio Supreme Court will lecture here during Chautauqua Week, on the subject, "Partnership vs. Patriotism." The Chautauqua program will be filled with lectureas representative of every branch of public life. There will be college professors, professional lecturers, preachers, and statesmen.

Before becomiug a Supreme Court Justice, Judge Wanamaker served seven years as a Common Pleas Judge, at Akron, Ohio. During those seven years he ably demonstrated that the American Trial Court may be speeded up to a semblance of the promptitude of European Courts, if the Judge be determined upon doing it. Judge Wanamaker's lecture dwells upon the problem of a better citizenship and a more efficient government.

CRUMPTON

The Ladies Aid Society of the M. P. Church was entertained by Mrs. John Hubbard Thursday evening.
