VOL. 76. CHESTERTOWN, MD., SATURDAY, NOVEMBER 21, 1914. NO 35

Davis & Satterfield

CROSS ST., NEAR DEPOT

"The Pilot"

You all know what a PILOT is and if you were to go to sea you would take one with you. We have made it possible for you to take a PILOT ELECTRIC DRIVING LAMP with you when you go out at night. Fits on the buggy and looks like an auto lamp; uses ordinary dry cells and is moderate in price. Why run the risks attendant upon driving at night when you can so easily make it safe? See our demonstration.

Engines

Our line of Gasoline and Oil Engines was never larger and better assorted than now. Visit our Show Rooms and see our exhibit. Any kind for any purpose as large as 100 horse power. Our sales this year are larger than any year since we have been in business.

Our line of Accessories is the Best shown in town

Feed Mills, Corn Shellers, Wood Saws, Cream Separators, Red Jacket Pumps, Batteries, Insulated Wire, Electric Hand Lamps, Electric Lighting Sets for Carriages, &c.

Your purse strings

will loosen as you pass our store and see the windows "crowded with bargains."

Note the prices—pick out the ones you like—and have them put aside for you until you are ready for them.

If you have never dealt with us, it is your fault; but if you deal with us just once and do not continue, it is our fault. So come in to see us and give us a chance.

We enjoy showing our goods just as much as you do seeing them, and we will see if we cannot show you some bargains.

We are yours for business.

KENT FARMERS LOSE BY FIRE!

Mr. Matthew Bramble, son of Judge James Bramble, who removed to Delaware last year, met with a serious loss by fire a few weeks ago. It seems that Mr. Bramble went to his big barn early in the morning carrying a lighted lantern. Upon entering the stable the lamp exploded! Mr. Matthew threw his coat over the blaze but in a few minutes the flames drove him from the place.

The big barn with two heifers, twenty tons of hay, reaper, mower, drill, and many other implements were destroyed, also a bran new silo costing $500 which was half full of feed. Mr. Wm. Lingo, a friend, had spent the night with Mr. Bramble and had left his new Krit automobile at the barn. This machine was gotten outside the door but it seemed to be impossible to push or pull it out of the reach of the fire and it is a total loss. It was not insured.

Mr. Matthews' total insurance was $4300 but this will not cover the loss by several thousand dollars. Mr. Henry Bramble, a brother, also shares in the loss being interested in the farm. These boys are making good in Delaware.

Mr. Judefind's Home Burned.

The home of Mr. Joseph Judefind, at Edesville, was entirely destroyed by fire Tuesday morning. It seems that more early in the morning the chimney had been on fire, but this was soon out and nothing thought of it. Later Mr. Judefind, on returning from Rock Hall, found the roof ablaze. It is thought a spark must have gotten under the shingles on the roof and the heavy gales of wind soon fannned this into a blaze. But for the kindly assistance of neighbors Mr. Judefind must have suffered a greater loss. As it was almost all the furniture was saved. His daughter, Mrs. Elliott, lost one trunk containing silver, jewelry, clothing, etc. She and Mr. Elliott have decided to remove to Rock Hall.

Mr. and Mrs. Judefind have the sympathy of all, but Mr. Judefind thinks himself very fortunate, having saved all outbuildings, feed, stock, etc. The family are now at Rock Hall with relatives. Mr. Judefind has not made any plans just yet. The loss was partly covered by insurance. Mr. and Mrs. Judefind wish to thank all who so kindly came to their assistance on Tuesday morning.

BURNED TO DEATH.

Little Rebecca Hadaway, of Cliff City, Catches Fire From a Stove And Dies From The Burns—Two Children Alone When Accident Occurs—Sympathetic Neighbors.

Mrs. Frank Hadaway, of Cliff City, in Quaker Neck, after finishing dinner Thursday dressed her two little children, Rebecca Emily Whaland, aged 3 years and 6 months, and Mary Grace Hadaway, aged two years, and prepared to go out to see some friends. Just before starting Mrs. Hadaway left the little ones in the dining room while she slipped across the road to her brother's home. There was a small stove in the room with a coal fire and also a fire in the big kitchen stove.

Mrs. Hadaway says she was not gone more than three minutes before she returned. She opened the kitchen door and there was little Mary trying to get out while in the corner stood Rebecca with every piece of clothing burned to a crisp while her little form was proving a victim to the heat. Help was secured as quickly as possible but all to no avail and the sufferer passed away beyond all pain. It is supposed that the little one got too close to the dining-room stove from which her clothing took fire.

The whole community have rallied about the bereaved parents and have done all that human beings can do to console and comfort.
