POMONA GRANGE MEETING.

On Saturday, Jan. 17th, Kent Pomona Grange held a most interesting meeting in the Assembly Hall of the public school of Chestertown, with Worthy Master S. S. Hepburn in the chair. The committees on Summer Chautauqua, Rural Credits and Fertilizer were continued.

The commit ee on Kennedyvil'e school building reported progress and will ask for an appropriation to buy a new site where sanitary conditions are good, and to erect a building to be used as a High School with agricultural and domestic science courses; a building large enough to accommodate the pupils from the nearby schools when they leave the 7th and 8th grades.

Installation of officers was next in order when Mr. Henry Thompson, Past Master of Delaware Grange installed the following officers: Worthy Master, G. R. Rasin; Overseer, A. L. Harris; Lecturer, John Medders; Chaplain, Rev. S. S. Heburn.

The Grange endorsed the plan of the Rich Neck Farmers Produce Exchange to open its books to Kent farmers for the purchasing of stock and to support the local movement by buying and selling through the Exchange.

Resolution was passed recommending the State using convict labor of the Penitentiary to grind lime stone and to sell the lime to farmers at cost.

Consolidation of schools was discussed and it was resolved that the Grange place itself on record as favoring consolidated schools; and when new schools are to be built erect them with this idea in view.

The Grange also recommended the protection of buyers of cattle and preventing the spread of tuberculosis in cattle by thorough tests before sales.

The Grange resolves that it is in sympathy with the movement to have a resident expert to demonstrate on the farms of Kent in all lines of farming as proposed by Dr. Stabler some weeks ago, the county to furnish half of expenses.

The Grange also endorsed the Hazel anti-shipping bill. The Grange Secretary was authorized to investigate why Kent has not her just share of State roads. She has only twelve miles when she should have twenty-four.

The importance of subscriptions to the National Grange Monthly was urged.

There were full discussions on all these subjects and no time left for the Worthy Lecturer's program.

GALENA ITEMS.

Two young men of Galena, Messrs. Bryan Wood and Alvin McCauley, had a very narrow escape from drowning last Saturday morning. They were out in a very small ducking boat, near Wilson's Point wharf and while attempting to change places in the boat they lost their balance and were thrown into the water. After much difficulty, owing to the high hip boots filling with water, they succeedeed in reaching shore. Their guns were lost and some decoy ducks which they had in a bag got away.

Mrs. G. W. Jones, who has been quite ill, is some what better at this writing.

Mr. James Wood, of Piney Neck, and Mr. C. W. Wood, of East Neck Island, visited friends in town last week.

Mr. Stouffer, of Kennedyville, is visiting her brother Dr. Geo. R. Jones.

The fox hunters seem to be having much sport this fine weather.

All the small boys are busy playing marbles between the school hours.

Mrs. Sam'l Emerson and little daughter, Isabella and Mrs. M. J. Jones, of Earlville, visited at the home of Mrs. Theodore Dempsey, last week.

Little Miss Katherine Vansant, who has been quite ill, is able to be down stairs once more.

Epworth League service in charge of Mrs. C. W. Moore was very interesting. A solo by Mr. Muldoon and a duet were special features of the evening.

The "Town Fathers" are doing some much needed improvements on streets and crossings in town. Also a number of the people in town are improving their homes. House cleaning comes early this year.

BIG REVIVAL AT GREENSBORO.

The many friends of the Rev. A. P. Prettyman formerly of Galena, now pastor of St Paul's M. E. Church Greensboro will be glad to learn of the wonderful revival now in progress in that Church.

There have been one hundred and four (104) conversions to date, others seeking. Some of the results of the meeting have been remarkable. The young men having a moving picture show voluntarily closed their hall during the revival.

It is is said that the pool room closed on account of lack of patrons, and also because the proprietor wished to attend the services every night and three times on Sunday. The large glove factory here is aglow with religious enthusiasm, the "boss" and nearly all the employees having turned to the Lord. Yesterday Mr. Prettyman established a noon-day prayer meeting there.

There has been no Evangelist at this church but the pastor was nobly assisted by a consecrated choir. A consecrated band of Boy Scouts, under their devoted Master R. Shull. A zealous and consecrated S. S. Superintendent, Edward Willis and his many willing workers.

Indeed the whole membership has sustained the pastor of this Church in every way.

The Rev. Burdette of the M. P. Church preached three helpful sermons.

AN EXCELLENT OPPORTUNITY.

Is there a boy in Kent county who has a heifer that can beat his father's? Does he want to make it do better than it is doing? Has he a hog with an appetite? Does he know that corn alone will not make it as fat as corn plus scientific feeding of alfalfa will do? Would he like to know how to make his colt grow into a $200 horse?

These questions will all be answered to his entire satisfaction during the rest of February at M. A. C. The cost of the trip will not be much. $1 65 covers cost of round trip ticket from Baltimore to College. Good board will be $1 00 a day.

Write to the College for the time of the lectures in which you are most interested, then get a move on you and GO.

Don't be content to make a maybe-so farmer—go to college and learn the *reason why for* EVERYTHING.

IN MEMORIAM

In loving but sad remembrance of Mary, the beloved daughter of Nathaniel and Anna C. Ashley, who died nine years ago today, February 3, 1905, age six years.

When'er we speak your loving name,
Our eyes with tears are wet;
Oh Mary how we loved you,
And love cannot forget.
The Lord took you from us,
It was His holy will,
And left in our hearts a vacancy
Which no one else can fill.
