DEATHS.

Wm. F. Woodmender, one of Kent's best citizens, died at his home in Quaker Neck 1 a. m. April 2nd, age 69. The deceased came to Kent from Germany and became one of our most highly respected men. He was upright and honest in all his dealing, industrious and patient in his everyday work, kind and helpful to all his neighbors and faithful to every trust. He leaves a widow and the following children: Mrs. Wm. Goodman, Mrs. Robert Goodman, Mrs. George Williams, of Phila.; Edw. L. Woodmender, of Balt.; Mrs. Robert Wales, of St. Michaels; Miss Bertha, at home. He also leaves a brother at West Chester, Pa. The funeral took place yesterday, Undertaker C. L. Dodd, in charge. The bearers were Messrs. Wm. and Robert Goodman, Harry Legg, Robert Wales, T. B. Starr, Thomas W. Toulson.

Mr. Daniel P. Cox, one of the oldest and most highly esteemed citizens of Chestertown, dropped dead on Cross street, in front of the stables of Mr. W. B. Stafford, Tuesday morning at seven o'clock, while on his way to work. Mr. Cox had been suffering with a pain around his heart for some time, and was taking medicine from the doctor at the time the fatal heart stroke came.

Mr. Cox was engaged in conversation with Mr. Stafford when he died. Mr. Stafford says he fell suddenly to the ground and died immediately, only giving two or three gasps.

Mr. Cox leaves a wife, 80 years old, and two children, Mrs. Walter Allcutt, of Chestertown, and Mrs. Charles Meredith, of Baltimore.

The deceased was 78 years old and would have been 79 had he lived until June 19. He has been making preparations for some time to celebrate his 60th wedding anniversary, which was to have taken place April 13.

Mr. Cox was a member of the Reed Rifles, which was organized in 1855. Those left of the Reed Rifles are: J. W. Chapman, J. W. Lambert, John W. Duyer, Milton Baker, Freeman Fiddis, W. W. Copper, Alfred Benjamin.

Mr. Cox was a civil war veteran, having served with the Union army. He was a life-long friend of Mr. William A. Burk, and spent much of his time in the latter's shop, on Cross street, when not employed. He was a member of Christ M. P. Church for 20 years. Undertaker C. L. Dodd had charge of funeral.

Funeral services were held on Friday afternoon, conducted by Rev. Walter R. Graham; interment in Chester cemetery. The pall-bearers were James W. Lambert, James S. Bradley, William S. Carroll, William A. Burk, Bud Potts, and James B. Newnam.

Rev. L. R, Jones, a retired minister of the Methodist Episcopal Church South, died at Luray, Va., of paralysis, March 29th, 1914. He is survived by his widow, one son and three daughters, one brother and his sister, Mrs. Mary A. Rees, of Chestertown. Mr. Jones was born in Baltimore 79 years ago, and was buried at Mount Olivet cemetery, in that city, March 31.

Mrs. Frances A. Chaires, wife of Samuel Chaires, died at the residence of her granddaughter, Mrs. E. Rogers, March 24, 1914, in the 84th year of her age. The deceased was a lady of loving disposition and estimable character, and at the last, just before her voice failed, she could lift her hands and murmur the words "in that city." Funeral services conducted by Rev. Harry Taylor, were held Friday March 27, at 2 p. m. in Crumpton M. E. Church Interment in Crumpton cemetery. The pall bearers were her six grandsons:

Messrs Samuel, Howard, Robert and George Ringgold, Mark Rogers and William Clark. She leaves to mourn her loss a husband, Mr. Samuel Chaires, two sons, Robert M. Whaland, of Baltimore, Lawrence I. Whaland, of Rock Hall, one daughter, Mrs. James P. Ringgold, of near Millington, 17 grandchildren, 13 great grandchildren and a host of friends. Bradley & Sparks had charge of funeral arrangements.

Rev. W. J. D. Lucas, a retired minister of the M. P. Conference, died in Denton last Saturday, aged 60 years. He was a graduate of Washington College.

Mr. and Mrs. Milton Baker and daughter, Miss Fannie, and Mr. Fred. G. Usilton attended the funeral of Mr. Wm. Gleaves in Church Hill Monday. The deceased had been ill a long while. He was in his 83rd year. He leaves a sister in her 84th year. He died at the home of Mr. and Mrs. Wm. Bowen, in Church Hill.

Matthis Harris, 80 years old, died at his home, 2847 Huntingdon avenue, late Tuesday night after a short illness. Mr. Harris has been a resident of Baltimore for more than 50 years, going to the city from Kent county. An incident in the life of Mr. Harris was, that for more than 46 years he had suffered from defective eyesight and about six years ago his sight became so poor that it was with great difficulty that he could see at all. On August 11, 1909, while endeavoring to read a newspaper under a strong electrical globe which hung over his desk, his sight was fully restored. Opticians who heard of the case called it second sight, but Mr. Harris declared it to be a miracle. He is survived by his widow, Mrs. Rebecca V. Harris, six sons, three daughters, 12 grandchildren and two great-grandchildren.

Dr. W. R. Graham preached a stirring sermon Sunday morning on Envy, Slander and Servility, to a large congregation. The Sunday school was also more largely attended than at any time this year. Preparations are being made for the Anniversary to be held Easter Sunday.

Holy Week Services in Emmanuel church daily at 10.30 a. m. and 4.30 p. m. except on Good Friday when the services will be at 11 a. m, 2.30 and 7.30 p. m. At the 7.30 p. m. service the annual sermon will be preached to the Masons. All are invited to this service, both men and women.

The Sunday school service will be held tomorrow (Sunday) at the usual hour. Epworth League service in the evening at 7.00, lead by Miss Ella Hicks.

May every brother and teacher call special attention to our Sunday School system. It is designed to ingraft into the young heart, "the incorruptable seed" of the word of God. Let us have more faith in the regenerating power of that "incorruptable seed,"—Spiritual Budding. Sunday School at 9.30 a. m., after which a short talk will be given. Trusting to have a goodly attendance. Sunday night the Epworth League at 7.30 p. m., topic, "Being Glad in God Himself," Hab. 3, 17—19, Psa. 73 : 35; 36. Mrs. J. N. Bennett, leader. All who are interested in this work should exercise their ability in young people's meetings.

GRANGE NOTES.

Still Pond Grange held their special meeting on Saturday, March 25, at 2.30 p. m. In spite of the inclement weather there was a good crowd present. E. A. Corey, of Fairlee Grange, gave an interesting talk on "My most profitable crop." This was followed by an informal discussion on the potato. Mrs. Corey also spoke on her recent trip. Mrs. Schofield gave a piano and vocal solo, and there was an amusing musical contest, followed by the discussion "From guesswork to certainties in woman's work." Supper was next on the program in which all took prominent parts.

A program of much interest has been prepared for the meeting on Saturday, April 4, and on Saturday, April 11th, the next special meeting will be held. At this time, the 2nd issue of The Grange Review edited by Mrs. Harvey B. Moore, will be read and several topics of vital interest will be discussed by able speakers.

Our Worton meetings grow more and more interesting. Last Monday night week we had two very interesting talks on tomatoes. Bros. Thos. Fowler told us how he grew ten tons to the acre. Next Bro. Wm. Clendaniel of Kennedyville Grange, gave us a talk on tomatoes and dairying. After music by Bro. and Sister W. M. Hadaway, and a very timely reading by our worthy Lecturer, the ladies delighted all present by serving ice cream and cake.

Last Monday night proved to be even more interesting if possible than the week before. After several had been proposed for membership they were balloted on, and for the first time in the history of the little town of Worton, the ladies voted and you should have seen their broad smile. Then our lecturer had prepared a question box which delighted us all for another hour. We think we could stand another question box in the near future. Now don't forget that we meet every Monday evening in the school room and we welcome all grangers. So visit us whenever possible and we would like all who are thinking of joining us to let us hear from them. We extend a cordial welcome to all.

In a debate at the Cecil Farmers Club Mr. J. Harry Maxwell said that his cows the first year he was a member of the cow testing association had averaged 5000 lbs each, that with the increased knowledge and care of his herd he had brought it up to 7000 lbs. for the present year, or to be exact 118,000 lbs. from 18 cows for the eleven months to date. This he attributes solely to the fact that he knew exactly what each cow is doing, and was able to feed accordingly, especially in July and August, when the pasture fails. An acre of sowed corn more than offset this feed and kept the milk flow up. He drilled with wheat drill, every third tooth open and worked once. R. K. Rawlings stated that October and November were also important

$20,000 a Year
More To Savings Depositors

¶ Depositors carrying Savings Accounts in the Banks of Kent and Queen Anne's counties will receive in the future $20,000 a year MORE in interest than they have heretofore been paid by the same banks.

¶ This material increase in interest benefits is due directly and solely to the stand taken by the PEOPLE'S BANK in paying the liberal rate of FOUR PER CENT. interest, and refusing to join the other banks in their binding agreement to pay no more than THREE per cent.

¶ Those depositors who appreciate the benefits accruing to themselves and others by reason of this general increase in interest rate, will show their appreciation by giving THE PEOPLE'S BANK a liberal share of their deposits and banking business.

¶ Think this over carefully. Get the facts. Investigate.

¶ The PEOPLE'S BANK is ready to serve you faithfully and well.

Banking House in Maul Building

If you knew

how you could make $200 or wherein you could acquire a good tract of land which would make you a delightful home, would you not take advantage of the opportunity? And this is exactly what you can do if you buy 5, 10 or 20 acres of the "Chestertown Farm Gardens," situated on the macadamized road leading from Church Hill to Chestertown near J. T. Anthony. Some of this land cand be bought for $90 per acre and the best of it can be bought for $105 per acre. We are making this reduced price in order to interest you. There are no other towns on the Eastern Shore near which can acquire such soil, as this at such a price as we ask. Investigate and see. Several of these lots have been bought by people who know what land is. They have built on it. The soil will grow anything. We are in a position to accept EASY PAYMENTS and can assist you if you want to build.
