Gen. Ege, late of Maryland, took an active part in restoring peace. Capt. Mitchell is the same man that Titus gagged when a prisoner at Lecompton. He is a penter by trade, and went to Kansas from Covington, Ky. The free-seilers' it appears, refused to join with the pro-slavery men of Doniphan in the celebration of the 4th. Capt. Boyd, in his oration, referred to this fact, and this is what offended Capt. Mitchell.

WRITING MACHINE.—An ingenious piece of mechanism, designed to enable a person Ject. to record his thoughts or observations while traveling in the cars, in a crowd, or in a place where ordinary writing apparatus cannot be used, has been invented by Mr. Benjamin Livermore, of Hartland, Vt The writing on which the writing or rath er printing, for it resembles the telegraphic system of printing, is impressed is coiled around two cylinders, which revolve as the lines are completed, and the letters are worked by a set of keys. No ink is required, the letters being colored by a pre pared blue paper, against which the wiiting paper is pressed at each movement of the keys, The machine works with great accuracy and much facility, and is very compact, not exceeding four inches in length by about two and a half in width - of privations and hardships, the narrative of section of the act of 1853, chap. 300, the follow-It can easily be carried in a side rocket. and can be used without taking it from the pocket.
