VOL. 76 — CHESTERTOWN, MD. SATURDAY, MAY 9, 1914 — NO. 7

Your purse strings

will loosen as you pass our store and see the windows "crowded with bargains."

Let us suggest to you, Mr. Farmer, the early selection of your needs for this Spring. The time to make this selection is NOW, the place is HERE.

Note the prices—pick out the ones you like—and have them put aside for you until you are ready for them.

If you have never dealt with us, it is your fault; but if you deal with us just once and do not continue, it is our fault. So come in to see us and give us a chance.

We enjoy showing our goods just as much as you do seeing them, and we will see if we cannot show you some bargains.

We are yours for business.

MANY local game bills were passed at the last session of the Legislature, and where these conflict with the uniform State law they are worthless. The State uniform law takes precedence over all local ones, as Section 11 provides. This announcement will be surprising to those legislators who, it is known, were uninterested in the State provision, but had pet local bills. The uniform season on game now in this State is November 10 to December 24. Where the Federal migratory bird law affects the State dates, the former takes precedence. November 1 to February 1 is the date set for shooting duck, geese and swan by the Federal Statute, and that is the law which must be obeyed, not the State one.

LOCAL NOTES

IN another column will be found the "Clean-Up Day" named by the Town Commissioners. Let's observe it.

MR. LOUIS H. PORTER, a farmer near Worton has a fine week-old colt by Hal B. McKenny.

A GREAT improvement has been made at Oakland, near Tolchester, besides the new buildings it has fine electric lights all over the dwelling.

The steamer Ford was delayed over an hour Tuesday at Quaker Neck wharf because of an accident. One of the trucks loaded with a stove toppled over board! It required an hour to fish it out.

A. L. SPARKS' big show windows have some beautiful displays of spring hats and new goods for the ladies, while this store is filled with attractive bargains.

A HORSE driven by Mrs. H. M. Cecil, of Queen Annes, was frightened by an automobile Saturday morning and the occupants badly bruised by being thrown to the ground. Mrs. Cecil was accompanied by her little son and was driving along the state road when the horse saw the auto. Mrs. Cecil alighted from her team and attempted to hold the horse. She was thrown to the ground and badly bruised but not seriously injured. Her boy was unhurt.

THE drivers of eight of the American Strawboard Co.'s wagons were arrested last Monday upon complaint of H. H. Barroll, Esq., for obstructing the road near Chester bridge.

SHERIFF BROWN and Deputy Bolton took the ten prisoners away to the House of Correction and Penitentiary Monday morning that State's Attorney Vickers convicted at the recent session of the Circuit Court. The State's Attorney convicted every case, with the exception of one, and in that instance it is said some witnesses "went back" on him. The following were taken away: "General" Hamilton, 6 months House of Correction, larceny; James Davis, 18 months House of Correction, larceny; Eddie Dorsey, 4 years in Penitentiary, horse stealing; Andrew Moten, 1 year House of Correction, selling whiskey; George Erskine, white, 1 year in House of Correction, selling whiskey; Jervis Lively, 1 year House of Correction, selling whiskey; Oscar Warwick, 1 year House of Correction, illegal use of team; Arthur Coleman, 5 months in Penitentiary; George Williams, 1 year House of Correction, stealing meat; Sam O'Neil, 4 months House of Correction, vagrancy.

IN a spirited debate at the semi-monthly meeting of the Literary Society of Chestertown High School last Friday afternoon the affirmative was victorious on the subject, "Resolved that women should have the right of suffrage." The affirmative was supported by Miss Carolene McKee and Ernest Taylor while the negative was supported by Miss Margaret Harris and Stewart Price The program started with an excellent instrumental solo by Miss Ethel Robinson. New or unfinished business was then attended to, after which a declamation contest was held by Miss Dorothy Edwards and William Newnam. Miss Eva Kelley and Harry Rouse then read the echo and Miss Margaret Smith and Ellen Beck rendered an instrumental duet. The debate was then held, after which Mr. Edgar McGinness rendered an instrumental solo. Prof. Mark Creasy acted as critic, while the judges of the debate were Misses Copper, Cora Robinson, and Rebecca Smith.

CHESTERTOWN was visited Sunday by a motor cycle club of ten members besides scores of auto from everywhere! We would suggest a banner be carried on machines so that their home town can be ascertained by the curious.

A VISIT was made last Friday by Messrs. W. F. Jarrell, Ellsworth C. Bowers, Wm. A. Bell and Geo. Baldwin to a big farm ten miles below Berlin. They found the roads so bad that they stopped over night at Salisbury. During their visit Mr. Jarrell purchased four silos and Mr. Bell one.

THE Town Commissioners re-organized Monday night by electing Mr. Wm. T. Duyer, president; James W. Crouch, secretary, and Lewin W. Wickes, attorney. Mr. George R. Rouse was qualified and entered upon his duties. Delegations were heard in favor of better drainage and the destruction of flies. Mrs. Barroll, Mrs. Boyd, Mrs. Copper and Mrs. Satterfield acted as speakers and made a good impression.

THE Kent freight train was wrecked near the old depot Monday morning, the rear wheels of the engine breaking loose and causing several cars to be derailed, one car being nearly upset. No one was hurt. While not being on the main track, the wreck caused the Kent eleven o'clock passenger train to be twenty minutes late. Mr. Benj. E. Rust and force of workmen and the wrecking train soon got the derailed cars on track and the passenger train was not interfered with on her other trips.

The Epworth League of the Chestertown M. E. Church elected the following officers Wednesday evening: President, Mr. John C. Davis; 1st vice president, Mr. John E. Barnes; 2nd vice-pres., Miss Lillian Smith; 3rd vice-pres., Mrs. Polk T. Bramble; 4th vice-pres., Miss Nellie McWhorter; sect'y., Mrs. Walter Bramble; treas., Mrs. M. E. Newsome; directors, Chas. N. Bordley, Walmsley

THE Rev. W. R. Graham and family were given a splendid surprise by members and friends of his congregation. Mr. Charles L. Dodd made the splendid presentation which was happily replied to by the pastor. Refreshments were served during the evening.

LIGHTNING killed a fine mare in Mr. Chas. Sutton's field Monday night belonging to Mr. W. Frank Jarrell. This mare was valued at $200 and was one of eight big ones recently purchased by Mr. Jarrell.

THERE was no boat from Tolchester Wednesday owing to accident to steamer while up the river.

THE "Foxwell" farm, near Black's, owned by Mr. Thomas W. Eliason, has been rented to Mr. Charles T. Quigley. Elsewhere in the NEWS Mr. Eliason advertises the Fairlee Point farm for rent, Judge Bramble having determined to retire to his smaller place and later to Delaware. Mr. James W. Chapman has rented the Pearce farm near town, to Mr. John C. Smith, an industrious and successful farmer of Queen Anne's.

AMONG the new postoffice appointments this week recommended by the respective Congressman are these: Josiah F. Kirk, Georgetown; R. B. Merritt, Jr., Warwick; R. Heston Hicks, Queen Anne; Harry E. Walls, Church Hill; Oliver C. Giles, Elkton.

IF you have any money to invest why not put it in The Chestertown Bank of Md. and get 4 per cent. You can draw it at any time.

J. H. SIDES has sold to Mr. Harry Massey at Church Hill a fine new Maxwell touring car. Mr. Wm. E. Ringgold has bought a Ford touring car.

THE Kent County Savings Bank is paying 4 per cent. interest. This is free of all tax and your money can be drawn at anytime.

THE County Commissioners Tuesday passed the bills of H. E. Perkins and Allan Goldsboro, Esqs., for $200 each for defending the Coleman murderers and $50 for Mr. Crothers.

THE Public Service Commission has granted the request of the Tolchester Steamboat Co. to raise the shipping rate to 50 cents per gallon on liquor shipped to the Eastern Shore. The same rate applies to a case of beer. Other companies will likely ask same.

IT is reported that Mr. J. T. Decorse has rented the present postoffice building for next year.

J. W. BOGGS, one of Kent's expert wheat growers, says the outlook for wheat now is for a fine crop. Eugene M. Bonwill was also in town recently and expressed the same opinion.

NINE HORSES, three outbuildings and the hay barrack on the Westeott farm of Edwin S. Valliant, located near Church Hill, were burned early Tuesday morning. The tenant, John Frank, when awakened by the glare of the flames, found the stable tottering. As he reached it a horse burst through the blazing boards and fell dead at his feet. Mr. Valliant lost a mare and a colt, and Mr. Frank is minus 7 horses, his cattle escaping because they were loose in the pound. Including the destroyed buildings the loss is about $3,000, partly covered by insurance.
