MILES COLLECTOR OF INTERNAL REVENUE

The long deadlock that has existed in the United States Senate between Senators Smith and Lee of Maryland over the confirmation of Joshua W. Miles of Princess Anne, Md., who was nominated to be collector of internal revenue for the district of Delaware and Maryland, and of W. Mitchel Digges of La-Plata, nominated to be naval officer, was ended Tuesday, when both nominees were confirmed.

Messrs. Miles and Digges were nominated to their respective offices on March 21, just about three months ago. Their names were referred to the committees on finance and on commerce respectively, and there they have remained without action, Senator Smith having placed his detainer on their names.

Monday Senator Smith formally notified both committees that he had no further objections to the confirmation of Messrs. Miles and Digges. Accordingly, when the Senate met Tuesday afternoon in executive session their names were called for action and Senator Smith himself moved that they be confirmed. There was no objection. It is assumed that both appointees will take the oath of office without delay.

Now that Miles and Digges have been confirmed, those interested in appointment are expecting President Wilson to submit to the Senate his selections for Federal jobs yet to be filled. These include:

Collector of the Port, salary, $7000; incumbent, William F. Stone.

Surveyor of the Port, salary, $4500; incumbent, Robert A. Ravenscroft.

Appraiser, salary, $3,000; incumbent, J. Carlyle Wilmer.

Marshal, salary, $4,500; incumbent, George W. Padgett.

District Attorney, salary, $4,500; incumbent, John Phillip Hill.

Immigration Commissioner, salary, $4,500; incumbent, N. Bertram Stump.

WIFE SAW HIM WITH BLOND

Mrs. Gale Left Her Husband And Gets Divorce.

While waiting for a car, Mrs. Louanna W. Gale, a manicurist, 2001 North Fulton avenue, saw her husband, Wilber T. Gale, meet "a rather good looking blond," as she described the other woman. This aroused the suspicions of Mrs. Gale and she employed two private detectives to shadow her husband.

Result: Mrs. Gale was granted an absolute diverce on statutory grounds Thursday in the Circuit Court. She was marrried April 28, 1898, at Rock Hall, and left her husband November 7 last.—Friday's Sun.

THROUGH the instrumentality of the new Department of Labor, more than 100,000 men have been secured from the unemployed ranks of the east to help move the golden harvest of the west. By this one act the new Department has fully justified its establishment. Without its efforts there would be a great shortage of harvest hands in the big western fields and a lack of employment and consequent suffering among the eastern workmen now happily taken care of. Of course this is not only by any means a solution of the labor problem, but it is a step in the right direction. If any considerable portion of the men sent west from the crowded eastern cities find opportunity and desire to remain, it may have a permanent good effect all around.
