ACCORDING to a report of the engineers of the Geodetic Coast Survey, certain islands and head lands of the Chesapeake Bay are being destroyed at a rattling rate not by any catastrophic course of nature, but by the ordinary actions of the waves and currents. The Survey has just issued a report on the "Erosion and Sedementation in Chesapeake Bay Around the Mouth of the Choptank River." The most interesting feature of the study is the rapid destruction of the three islands at the mouth of the Choptank river. Of these, Sharps Island, which a generation ago, was a summer resort and a favorite hunting ground, besides supporting a number of families throughout the years is to-day deserted and almost barren of life.

KENNEDYVILLE

Miss Mary Othoson, of Sassafras, and Mr. Walter Money, of Townsend, were guests of Miss Nellie Othoson at her home on Sunday last.

Miss Kendall, of Baltimore, is spending some time at the home of Mr. and Mrs. E. T. Othoson.

Mr. and Mrs. Frazier, of Newark, Del., are spending some time as guests of Mr. and Mrs. L. A. Pennington.

Mrs. Copeland and son, Harry, and Mr. Horsey, are guests of their cousin, Mrs. Dukes.

Mr. and Mrs. John McCabe are entertaining her sister, Miss Blanche Hall, of Whaleyville, Md., and his sister, Miss Laura McCabe, of Shelbyville, Del., and Miss Ryda Mumford, of Showells, Md., and on Tuesday last entertained as a party quite a number of young people in honor of their guests. The lawn was lighted with Japanese lanterns. The evening was spent in playing of games and at a late hour refreshments were served, and all returned home pleased with the evening's entertainment.

On Friday a party from here visited the Monumental City. Among them were Rev. and Mrs. Frank S. Cain and daughter, Bessie Jet, Mrs. John McCabe, Mrs. Lulie Dukes, Misses Mabel Hague, Ryda Mumford, Laura McCabe, Blanche Hall; Messrs. E. P. Horsey, of Denton, Md., and Robb Johnson.

The Ladies' Aid Society will meet at the home of Mr. and Mrs. Wm. Jewell on Friday, August 7th. Members and friends are invited to be present.

WORTON

Miss Elma Passwater spent several days with Miss Clara Rasin.

The Union Sunday School picnic will be held in Rash's grove on Thursday, August 6. The Pomona Grange at the same place August 12.

Quite a few chickens from here attended the fair at Chestertown and carried off prizes.

The fete to be held at Mr. Ralph Williams' Aug. 4 will be worth attending.

Mr. Chas. Jones, wife and mother-in-law, spent the week at the home of Mr. Harry S. Williams. They made the trip from Washington in their auto and report Kent roads as the best they struck on the way.

You may think Worton Grange has been asleep, but we have only been taking a little nap during the past hot, busy month. However, we are wide awake again and ready to settle down to business. Next Monday night we expect to have a very interesting business meeting, when all arrangements for the entertaining of the Pomona Grange on August 12 will be completed. After the business meeting two young ladies and two young gentlemen will be taken into membership; then the literary program, which is always an interesting feature of our meetings, after which the ladies will serve ice-cream and cake. So don't miss this, for we always have an abundance of good things at these treats. Come out and bring your brother granger.

Accidental Death.—Howard Pinder, 12-year-old son of James F. Pinder, of Wilmingtou, was kicked by a horse and fatally injured Thursday morning on the farm of his uncle, Lum Pinder, abont 5 miles from Sudlersville. The boy lived only abont ten minutes after the accident. With another lad the Wilmington boy was driving some colts from the barnyard. It is supposed that he got too close to the heels of one of the animals and frightened it. He was kicked over the lower portion of the heart and was rendered unconscious. Death ensued in a few minutes. Dr. Fosier Sudler, of Sudlersville, was summoned and pronounced the boy dead.

Autos Held Up.—Officer Samuel E. Cooper on Saturday arrested three for speeding on High street. They were fined $1.00 aad costs by Justice Kendall, this being their first offense. On Monday two more arrested. Particular attention is called to the section of the State Automobile Law which prevents the use of any signalling device except that of a bulb horn within the limits of a city, town or village during the period of from one hour after sunset and one hour before sunrise. Commissioner of Motor Vehicles Roe wishes it clearly understood that he will suspend the license of any driver who exceeds 35 miles per hour on the State highway, or who indulges in reckless driving generally.

THE Maryland State Grange Picnic will be held at Tolchester Friday, Aug. 7th. Steamer will leave Baltimore at 9.15 a. m. instead of 8.45 a. m., as usual, thus giving Western Shore Grangers and their friends more time to catch the boat. Congressman Lewis, author of the Parcels Post law, Dr. H. J. Patterson and other prominent speakers will address the meeting. Bring your lunch basket and spend a day on the beach.
