EVERY page of the NEWS today is a live local page.

DON'T be scared, Mr. Barroll, come on in!

Mr. BARROLL has selected Mr. Wm. T. Nicholson as his candidate for Treasurer and Mr. Thos. Jones for one of the members of the Orphans' Court.

Mr. GEORGE R. RASIN, candidate for County Commissioner in the Second District, is meeting with hearty endorsement wherever he goes. "Dick" is certainly a hustler and a fine fellow.

A WORTON FRIEND of Mr. Barroll's in town Tuesday was asked whether or not Mr. B. was really going to be a candidate, to which he replied, "no indeed, he's too gun shy!" We suggest that some of his friends write him as to the best cure for this trouble.

THE Barroll organ's eagerness for and reference to Mr. Dixon's candidacy for clerk is certainly amusing, to say the least. It is even given greater prominence than that of their candidate Mr. Hadaway. Has Mr. Hadaway dropped out of the contest this early in the fight?

IN another column Mr. Robert F. Moffett announces his candidacy for town commissioner to succeed Mr. Wm. Duyer. Mr. Duyer has made a faithful and efficient officer for years but declines a re-election. At this time Mr. Moffett has no opponent. He is one of our best citizens.

L. W. BARROLL, ESQ., son of Hope H. Barroll, Esq., has written a letter complaining that a joke is being made of the candidacy of his father for State's Attorney! Isn't it rich? The meaning of those Christmas cards is now clear.

NEWS from all over Kent is very encouraging to the Organization. As each place on the ticket is being filled by the people in the various districts with free and indepenndnt men of character the forces that are fighting against BOSSISM and SLAVERY are becoming welded into a strong and unbreakable body. On Tuesday the friends of MR. FRANK C. CROW, of Fairlee district, announced him as the candidate for Treasurer subject to the Democratic primaries to be held in September. Mr. Crow is a young tenant farmer, not a man of years but honest and of the highest character. He is a good citizen in every respect, a loyal and earnest Democrat, and if nominated and elected will faithfully serve his constituents. He has never held a public office but ran once for delegate and received a flattering vote, winning over strong opposition. It is a pleasure to recommend him to the Democrats of Kent.

FOR REGISTER OF WILLS.

With a unanimity that forebodes victory many good Democrats have gotten the consent of MR. GEORGE W. SUTTON, of near Locust Grove, to serve as a candidate for Register of Wills in the coming primaries. Mr. Sutton needs no commendation from the NEWS for he is a well known Second District, tenant farmer. A man of the highest integrity, a good Democrat and an untiring worker in and out of season. He is master of Kennedyville Grange which shows the esteem in which he is held by those who are his neighbors. He is not wealthy in worldly goods but has an abundance of those things which should count for more.

He has never been before the people before and we predict a rousing majority for him. You don't find them any better than GEORGE W. SUTTON.

A CHRONIC KNOCKER

The NEWS is glad to state that the Barroll organ does not represent the true feeling which exists in all parts of Kent as regards the county town. It seems strange that this organ continues to try to arraign the balance of the county against Chestertown, but has failed utterly. Among the large numbers of out-of-town people in town recently this fact was openly expressed, and also the pride they feel in the town's progress along all lines.

It seems singular that nothing "at home" is right, and nothing worthy of commendation. To all such we say: "It isn't your town—it's you!"

"If you want to live in the kind of a town
Like the kind of a town you like,
You needn't fuss and fume all the time,
And start on a long, long hike.
You'll only find what you left behind,
For there's nothing that's really new;
It's a knock at yourself when you knock your town,
It isn't the town—it's you!

"Real towns are not made by men afraid
Lest somebody else gets ahead;
When every one works and nobody shirks
You can raise a town from the dead;
And if while you make your personal stake
Your neighbors can make one, too,
Your town will be what you want to see,
It isn't the town—it's you!"

HOME CANDIDATE FOR GOVERNOR!

EMERSON C. HARRINGTON,

State Comptroller, Who Was Put Forward As a Candidate for the Democratic Gubernatorial Nomination At a Meeting Held In His Home Town of Cambridge—The Man of the Hour for a Business Administration—Farmer and Oystermen Look to Him for Relief.

What this State needs during the next four years is a real business administration— ne conducted along economical business lines, with a view of substantial retrenchment in many departments without diminishing the real efficiency of any State department. If Maryland's finances and general affairs could be handled with the same diligent care and economy by a well-informed and capable man, it would certainly be a blessing at this time to the tax-payer. We cannot see why the same business principles cannot be applied to affairs of State as to private business enterprise and the same quality of brains cannot be enlisted in the affairs of the people as is enlisted by a big private business concern. We believe it can and we believe the day is approaching when it is to be. Just at this time a man is needed who has a thorough knowledge of State finances, who has made a study of them and knows the abuse to which they have been put as well as the remedies that are available.

The man without question who is most available at this hour, because he is better equipped in knowledge of our finances and who has larger plans for their betterment than any other man, is Comptroller Harrington. His attitude prior to the assembling of the last Legislature, during its session and now, has made him a great and enviable reputation and certainly the man of the hour in the public affairs of Maryland.

"Rochester Made"

Shoes for Women

Announcement

We have just taken the agency for

MANIHAN'S "Rochester Made" Shoes for Women $3.50 to $4 00

This we did after careful consideration of the claims of the other standard lines of women shoes.

In our judgment Manihan's "Rochester Made" Shoes for Women offer our customers more for their money than can be found in any other line and we have looked them all over carefully.

We found that these shoes were a long way in advance when it came to fitting qualities for they are made on exclusive "foot-moulded" lasts—lasts which correctly reproduce the lines of the human foot to AN EXTENT NOT POSSESSED BY ORDINARY LASTS.

Come in and let us show you the splendid new stock which have just arrived.
