Dr. Foster Sudler has gained more than twenty pounds; Mrs. Martha L. George, an old lady of eighty winters, gained more than ten pounds; Mr. Joseph M. George is over fifteen pounds heavier and Mr. John E. George is carrying a full ten pounds extra. While glad to be back in his native county, Mr. George was very enthusiastic over the wonders of the growing West. While in Phoenix the party of Sudlersvillians hunted and motored and enjoyed life to their heart's content. The second day after arriving in Phoenix, Mr. George purchased an automobile, and upon leaving he disposed of it. The party did not remain in Phoenix the entire three months, however. Far from it. Mr. George was in San Francisco and New Orleans and other cities of the South and West. He seemed greatly impressed with San Francisco. He asserted that the big California city was far ahead of New York in the game of get-up-and-go, and that, to his mind, it was without doubt the greatest city in the country.

POMONA GRANGE

A Splendid Meeting at Fairlee Hall—Good Singing—Pleasant Intercourse.

Kent County, Maryland, Pomona Grange was entertained by Fairlee Grange, No. 249, on April 30th. There was an unusually large attendance, enthusiastic and full of important questions at every session.

The meeting was called to order at 10 30 a. m. by Worthy Master. Wm. G. Smyth. Chorus by the Grange choir. Among the visiting Grangers were National Lecturer, Mr. G. W. F. Gaunt, of N. J., and Mrs. Gaunt; Mrs. Reese, Mrs. Snyder, of Delaware; Senator H. M. McCulloh, of Elkton; Judge and Mrs. Lynch, of Roslyn Grange, Baltimore. Mr. Henry Thompson, an ex-Master of Delaware brought greetings and an invitation to visit their next Pomona meeting.

Report of Committees: Rural delivery of mail. Resolved, that we insist upon a delivery on holidays.

Good Roads—The good roads committee recommend that Pomoda Grange go on record as favoring the building of substantial roads to shipping points by water and rail, but opposed to spending vast sums of money on highly improved roads which do not benefit the farmer. Signed, S. S. Hepbron, A. L. Harris, E. A. Corey, R. R. Hill.

Resolution endorsing Dr. H. J. Patterson for president of Maryland Agricultural College, believing that not to do so, would be a calamity to the College and State, and that every member write a letter to the trustees urging his selection.

National Lecturer G. W. F. Gaunt made a strong and helpful address, followed by Mr. McCulloh, of Elkton. Both gentlemen complimented the earnestness, progress, and final success of measures endorsed by the Grange. A sumptuous dinner was served, and general good cheer prevailed.

Afternoon session convened at 2 30 p. m. Address of welcome, Worthy Master, W. G. Smyth; response by Senator H. M. McCulloh. Lecturer Mrs. E A. Corey read "Old Glory" in a very acceptable manner. Prayer for peace, by Rev. Mr. Jester. "Old Glory" was then sung by the Grange choir. Instrumental music by Galena Grange, Mr. Andrew McCauley, cornetist, Mr. Dallis Manlove, violinist, accompanied by Mrs. Holt Woodall was indeed a treat. The audience would not be satisfied until they gave three selections. A paper on Domestic Economy by Mrs. Evelyn Harris was full of helpful advise (to the men). Reading by Mrs. Walter Fletcher was as usual enjoyed by all. Open discussion—"Does it pay to have a good garden on the farm?" brought out much good advice, proving that it does pay, especially from a health point of view. Recitation by Mrs. Steven Newcomb of Galena Grange was full of practical wit and thoroughly enjoyed. Mrs. Snyder, of Delaware, gave a highly instructive address upon "Canning Clubs and Domestic Science in the Schools." A duet by Mesdames Jones and Hatcherson was most acceptable.

Mr. Frank Wheelan, Jr., brought greetings from the new grange at Massey and complimented the way in which the discussions were conducted. The absence of Rev. S. S. Hepburn was deeply regretted, and the secretary was instructed to write him expressing our sympathy. Rural Credits was explained at length by Mr. W. G. Smyth.

It was decided to hold a state wide picnic at Betterton August 19th. National Master Oliver Wilson will address the meeting and there will be other interesting features.

After a well served supper the evening exercises began by conferring the fifth degree upon a class of 86, by Fairlee Grange. The work under the direction of Mrs. Snydel, of Delaware, was given in a most approved and pleasing manner. Mr. Gaunt who is always interesting gave excellent advise Mus c by Galena Grange. Duet, Mrs. Hudson and Ida C. Crew.

Everybody's on the trot, and it is a fast and furious trot, with every man for himself and Satan take the hindmost trotter.
