DR. KANE'S GRAT WORK, "Artic Explorations" is now being read by more than two hundred thousand persons, old and young, learned and unlearned, It is just the book which should be owned and read by every American; 500 Newspapers have pronounced it the most remarkable and marvelous work ever published. The Foreign Journals and the most distinguished savans of Europe are extravagant in its praise. It is more interesting than Robinson Crusoe; being a faithful account of privations and hardships, the narrative of which cannot be read without a shudder. Our thost eminent men have vied with each other in entolling its merits.
