DECORATION DAY

An Automobile Parade and Matinee Races at the Fair Grounds Features of the Day Here.

Decoration Day in Kent proved to be an enjoyable occasion in spite of the rain which brought the sports to an early close. In the morning an automobile parade, headed by the showy Greensboro Band, drew forth nothing but words of approbation. There were about 20 cars in line, about one-half being competitors for the prizes. The judges, Misses Marion Merrick, Marion Woodall and Mr. Harry Griffith, awarded the first prize of $20 to Miss Isabelle Perry, whose car was decorated exclusively with flowers; David B. Ford won the second prize of $10, his car being a marriage bell, with Miss Ethel Holbrook under the same; Merrick Clements won the third prize of $5 with a beautiful floral and bunting decoration, while the effect was heightened by the presence of Mrs. A. P. Rasin and children and Mrs. Clements and children. The fourth prize was awarded Mr. Howard Owens, of Betterton, whose car looked fine with a bevy of the bayside town's debutantes. The design of Mr. Max Blakeney's car, "Preparedness," was no doubt the most original in design. It represented the army, navy and airship. Many thought our friends, Mr. and Mrs. Clifton Jarrell, should have had a prize with their "human garden." It was certainly a beautiful picture. Then came Mr. Owen C. Smith in a "beauty," Mrs. S. Scott Beck, George Rash, A. S. Turner, C. S. Smith, R. Waddell, A. L. Sparks, Mrs J. B. Hossinger, Arthur Bacon, C. H. Brice, W. Owens and others, making a very creditable display.

The attractions at Radcliffe Park were a baseball game between Chestertown and Centreville, in which Chestertown won, 10 to 1, and four races, which furnished excellent sport for the 800 or more spectators, until rain put an end to the racing before the fourth race was called. The summary of the races is as follows:

Class A, trot, unfinished:
Grey Nips, Henry Hughes, Chestertown.....2 3
Susie A, George E. Sutton, Worton.....4 4
My Sweet Pick, Earl Smith, Chestertown....2 1

The Charles Summer Post, G. A. R. held their annual Memorial Day parade with the same service as in past years. Only twelve of those old veterans remain.

CHURCH NOTES.

The Havre de Grace Ledger says one of the largest number of people ever gathered at the parsonage of Susquehanna Circuit was there on Friday of last week, the occasion being the reception to the new pastor, Rev. Frank S. Cain and family, formerly of Kennedyville. Mr. S. A. Smith, of Lapidum Church, presided, and introduced the speakers. The address of welcome was by Rev. W. J. Meeks, pastor of Havre de Grace M. E. Church, who gave a warm welcome, not only to the churches, the community and the county, but also into our hearts and homes. Bro. Cain very feelingly replied to the gracious welcome, and spoke of the plans of work for the present year, soliciting the hearty co-operation of one and all, that the work of the church might prosper, &c. This was followed by the singing of several hymns and prayer. Refreshments were served to over one hundred and fifteen persons, following which the evening was spent in social conversation until the midnight hour warned it was time to depart for home.

The annual Children's Day exercises of the Chestertown M. E. Church were held Sunday morning. A large crowd attended, the weather being ideal. An orchestra and choir, composed of musicians of three churches, aided with the music and helped to enliven the occasion. The program was as follows:

KENT COUNTY rose gardens are lovely but of course the beautiful buds have their enemies like other things beautiful. A greenish and reddish insect is called aphids.

The best remedy for them is to spray or dip the tips of the branches in Black Leaf 40. This is a strong tobacco mixture and should be used in a very diluted form—about one part of Black Leaf 40 to 600 to 800 parts of water. An ordinary teaspoonful to one quart of water is about right. If you have no sprayer take a deep saucer or dish, pour the mixture in and dip the tips and buds in it. It will be necessary to repeat this treatment from time to time. This type of insect is only killed by a constant spray, hence it will be necessary to get the mixture right on the aphid, rather than depending on what might remain on the plant to kill subsequent broods as with the potato bug. Plant lice attack many kinds of plants in the flower and vegetable garden. The Black Leaf 40 treatment will answer for all. If you cannot obtain Black Leaf 40 try a strong soap mixture. Take a piece of ordinary laundry soap about the size of an English walnut shave this into one quart of hot water. Put it on the stove and boil until the soap is all dissolved af if getting ready to wash clothes. Let it cool and spray or dip as explained above.

IN MEMORIAM

In sad but loving remembrance of my dear mother, SARAH R. WOOD, who departed this life two years ago to-day, June 3rd, 1914.

Dear is the grave where our mother is laid,
Sweet is the memory that never shall fade;
And when the soul waketh and life's shadows flee.
Our glorious thought shall be evermore of thee.

WIFE TOO ILL TO WORK

IN BED MOST OF TIME

Her Health Restored by Lydia E. Pinkham's Vegetable Compound.

Indianapolis, Indiana. — "My health was so poor and my constitution so run down that I could not work. I was thin, pale and weak, weighed but 109 pounds and was in bed most of the time. I began taking Lydia E. Pinkham's Vegetable Compound and five months later I weighed 133 pounds. I do all the housework and washing for eleven and I can truthfully say Lydia E. Pinkham's Vegetable Compound has been a godsend to me for I would have been in my grave today but for it. I would tell all women suffering as I was to try your valuable remedy."—Mrs. WM. GREEN, 332 S. Addison Street, Indianapolis, Indiana.

There is hardly a neighborhood in this country, wherein some woman has not found health by using this good old-fashioned root and herb remedy.

If there is anything about which you would like special advice, write to the Lydia E. Pinkham Medicine Co., Lynn, Mass.
