# BEAUTY OF FIGURE IS NOT A QUESTION of SIZE

But the beauty of a bank account is entirely a question of size.

Fortunately while none of us have much to say about the beauty of our figures, most of us have the entire making of our bank accounts in our own hands, and can set our stakes high if we WILL to do so.

Bring us your deposits, and let us help you realize your ideal of beauty in things financial.

# Haying Season

Is nearly here. Are you prepared to care for the large crop of hay this season has given us?

We are ready to help you harvest your hay with all the latest improved and most up-to-date machinery. This year we offer for the first time our No. 6 McCormick Mower, a gem of perfection and mechanical ability. You well know the enviable reputation the McCormick Mower has enjoyed for so many years and you wonder how it could be improved upon, but it has been done. The No. 6 Mower has been working under the most adverse field conditions for 5 years, being thoroughly tried out by expert mechanics and by farmers to whom it was entirely new and all pronounced it good. The No. 6 is not the New 4 made over but an entirely new mower with all the good features of the New 4 embodied. There are so many points to call attention to that it is impossible to mention them here, but we ask you to come and see the mower.

SIDE DELIVERY RAKES AND HAY LOADERS

The Keystone tools are the latest improved of having machines and they save time and labor. We shall be glad to go into details with you about them.

SELF DUMP RAKES

All steel except the shafts and last almost an ordinary lifetime.

TEDDERS

McCormick Tedders are good "kickers." They help to cure the hay without drying out all the nutriment.

BINDERS

The new model Binder which has been on the market for two years and of which we sold 23 last year is pronounced by all who have seen it to be the greatest Binder ever seen work. It is lighter draft than most other machines because of less weight and more roller bearings and a more rigid construction of the main frame. This is the year to buy these tools as all indications point to higher prices next year.

DON'T FORGET OUR SHOPS WHEN YOU HAVE REPAIR WORK. We know how to do it.

# CORN AND POTATO CLUB PATHFINDERS ARRIVE

## TO STIMULATE INTEREST AMONG BOYS OF STATE

**Several Local Committees Elected—Boys Winning Prixes to be Given Pleasing Trips And a Visit to Ba'timore During Maryland Week.**

Messrs. Reuben Brigham, of the Maryland State College of Agriculture, better known as the Maryland Agricultural College; Henry E. Warner, of the Baltimore Sun, and L. L. Burrell, County Agent, held a meeting in the Court House, Chestertown, Thursday morning for the purpose of explaining the objects of the State tour which will be given the County winners of the Boys' Corn Club contests throughout the State.

After explaining the object of their trip an organization was effected as follows:

Chairman—Fred. G. Usilton.
Vice-Chairman—Allan A. Harris.
Secretary—R. H. Collins.
Chairman of Entertainment Committee—H. F. Jefferson.
Chairmen of Transportation Committee—Merrick Clements.
Mothers Committee—Mrs. Wm. F. Russell, Mrs. Wm. G. Smith and Mrs. Arthur Harris.

The object of this tour, which has been gotton up under the auspices of the Baltimore Sun, is to promote interest among the boys of the State to grow corn and potatoes and other vegetables. The boys of the different clubs on the Western Shore who win prizes for growing the best corn and potatoes are to be given an automobile tour from Oakland, Garrett county, to the Atlantic Ocean on the Eastern Shore, passing through all the principal towns the residents of which entertain them at different places while enroute on their trip. At the same time the boys winning the prizes in the Corn Clubs of the different counties on the Eastern Shore, will be taken to Oakland, Garrett county, in a like manner. On the return trip all of the boys will stop over in Baltimore and spend Maryland Week where they will be entertained royally.

The auto trip will be by relay, the Chairman of the transportation committee in each town making the arrangements to take the boys from their town to the adjoining town. Full particulars with names on committee will be given later. The Pathfinders left in the afternoon for Elkton.

There are over 20 boys in the Kent corn contest and about 60 in other contests.

**Accident.**—Mrs. Cooper, wife of Mrs. Barney, of near Worton, was severly injured while driving home from church Thursday evening. Mrs. Cooper had charge of the Children's Day services at Worton Church and had been there instructing the children. It was on her return that her horse became frightened and plunging along the road toward home, took a turn sharply, when Mrs. Cooper jumped out. The fall rendered her unconscious. She was carried to the home of Mr. Biggers, close by, where she remained until Saturday when she was removed to her home. We are glad to report her condition at this writing as more favorable.

## PRESENTATION OF FLAG

An interesting event took place at the Chestertown High School Tuesday afternoon, viz., the presentation of a beautiful flag to the school by the P. O. S. of America, Camp No. 34. Mr. J. Frank Wheatley acted as Master of ceremonies in his inimitable manner while the excellent arrangements were made by Mr. Sam'l E. Cooper.

Prof. Wm. James Heaps made the flag presentation speech which was accepted by Prof Mark Creasy. Mr. George Bacon raised the flag. Songs were sung by the scholars while Revs. J. L. Ward and T. F. Beauchamp took part.

At night a rally of the members of the Patriotic Order was held in Fraternal Hall which was well attended and proved quite enjoyable. Speeches were made by several State officers.

## PUBLIC MEETING

Representatives of the Board of Trade Merchants Association, Federated Club and Kent & Queen Anne's Driving Association and other associations are invited to meet Tuesday evening at 7.30 at Voshell House Parlor, for the purpose of making arrangements for special attractions in Chestertown on July 4th. Mr McCaslin, of Baltimore, a concession manager, will be present to talk over the matter. All interested in a big day on July 4th be present.

NOTICE TO PUBLIC.

Fire At Golts.—Fire Wednesday morning at Golts destroyed the Williams building occupied by G. M. Vansant as a department store. The loss of stock is about $2,000 and as much more to the building owhed by Mrs. F. M. Williams of Port Penn. A. C. P. Reynolds, station agent, discovered the fire and gave the alarm. The fire company responded and did good work.

THE annual meeting and parade of the Md. State Firemen's Association took place this week at Havre de Grace. The Chestertown Volunteer Fire Co. was represented by a delegation of twenty-five men, who were much impressed with the up-to-date fire fighting apparatus of some of our sister towns and and the out-of-date machines the Chestertown Company have to put up with. Messrs. C. S. Smith, A. M. Culp, H. F. Jefferson, Jas. Brice and Arthur Bacon carried the Chestertown delegation to Havre de Grace in their automobiles.
