THE STORE THAT GETS THE NEW STYLES FIRST

When you come to Baltimore to shop—as you probably do at intervals during the year—you will naturally feel safest in the store whose stocks are always fresh.

It is a matter of pride with us——and a matter of principle as well—not to allow old-style or shopworn merchandise to accumulate.

Periodically, we hold special sales in which this merchandise is disposed of at ridiculously low prices. We would rather give it away than permit it to remain in stock.

As a result, whatever is shown to you as new at Hochschild, Kohn & Co's is new.

The woman who does not keep in close touch with the styles can buy here with perfect safety—and our people will be glad to give helpful advice and assistance to anyone who is in doubt as to what to choose.

NEW MAIL SCHEDULE

The Postoffice Department has ordered a very important change in the Star Route schedule from Gratitude to Chestertown to become effective Friday, June 16th. Under the new schedule the carrier will leave Gratitude every morning except Sunday at 8.15 a. m. and reach Chestertown at 9 45 a. m. coming direct. He will leave the Chestertown postoffice every morning at 10.45 and go to the railroad station where he will receive all mail for Rock Hall and Gratitude from train 243 due at 11.02 a. m. He will leave the station at 11.15 a. m and go direct to Rock Hall reaching there at 12.30 p. m. This will require that all local mail for Rock Hall shall be in the Chestertown postoffice before 10.45 a. m. every morning in order to reach Rock Hall at 12.30. By this new schedule all rural features will be separated from the Star Route and will enable the people of the lower section of the county to receive their mail from one and a half to two hours earlier than at present. This will no doubt prove of great convenience to the people of lower Kent, who have been deprived of adequate mail facilities for many years. The new schedule will also prove a boon to the faithful carrier, Mr. Wm. B. Ashley.

AUTOMOBILE NOTES.

Mr. Walter U. Lusby sold one of his Ford cars to Mr. Leaverton, of Hill Top, and purchased a new one of Mr. Thompson.

Mr. J. F. Thompson, the local Ford agent, has sold thirty-five Ford cars this season.

Mr. Thomas Willis last week purchased of Mr. J. F. Thompson a Ford touring car. Mr. Willis will use this car on his mail route.

Mr. Harry R. Graham went to New York Thursday and brought down three Chevrolet runabouts.

Mr. Thomas Massey has purchased a Chevrolet roadster fram Graham, Clements & Sutton. He drove it down from Farrytown, New York, this week.

William H. Waddell & Son have the agency for the Allen car. It is a beauty

All known automobile time records between Denver and Colorado Springs were shattered on Thursday, May 18th, when a Brisco Eight Cylinder Stock, Roadster made the run over the mountains of 75.6 miles in 1 hour and 38 min. Mr. Bonwill is the local agent for this car.

HORSES AND HORSEMEN

One of the most expert and successful race horse men in the Delmarvia Peninsula is Herman Tyson, of Newark, Del. This gentleman is well known in Kent and in fact all over the country as he has been a big winner for several years on the Grand Circuit. Mr. Tyson has charge of Mr. Stoeckle's string of horses and it is reliably reported that he has a three-year contract with that gentleman at a salary of $100 per week. Last year besides the above salary he also was given some nice presents by his pleased employer Mr. Tyson is a genius in the handling of fine race horses.

One of the greatest horse sales ever made in these parts, was consummated on Monday last, when John C. Green, of Middletown sold his four-year-old pacing mare, Lizzie March, to Richard Lawrence, of Hoboken, N. J., for $1200.

She was taken to the Kirkwood track to be shown to the prospective buyer, and hooked to a cart which all expert horsemen will allow is two seconds slower to the mile than a sulky, she stepped a half mile in the phenominal time of 1 01½

The mare is a beautiful light sorrell with a flaxen mane and tail and was sired by Prince March 2.13¼, and her first dam is by Nutwood Prince, second dam by Blackmore, and she is carrying almost the same breeding lines as R. T. C. 2.06¼. She goes clean, wears no hopples, or riggings of and kind with the exception of a light set of quarter boots, and her performance without any preliminary work stamps her as almost a world's wonder in the pacing line.

Mr. Green still owns two full sisters of this wonderful little mare both of which are sorrels, and both trotters, and both show promise of extreme speed and should be as good in their line as Lizzie March.

In the hope of developing the speed of his own colts, Mr. W. B. Biggs has built a half mile track on his farm near Armstrong's known as the "Sammy Jones" farm, and on this track with the assistance and guidance of Mr. Biggs, Mr. Crow will train and develop the colts and horses.

HONEY AND PLEASANT WORDS

The bee toils hard each fair summer day,
Gathering nectar and storing away
Honey that has medicinal power;
Taken from health given herb and flower.

The bible, the best book the world knows,
Teaches us a lesson that all should know:
That honey helps health like the pleasant word,
This good old proverb perhaps you have heard.

If you have not heard it, just turn and look
Over the pages of that dear old book:
In the book of proverbs. chapter sixteen,
In the twenty-fourth verse it may be seen.
