BORDLEY & SONS

Not Bankrupt, Not Dissolving Partnership, Not Making Extensive Alterations---But We Are Planning to Hold
BEGINNING ON JUNE 24, THE MOST

GIGANTIC & COMPELLING SALE

IN THE HISTORY OF OUR BUSINESS

The Reason:
Weather conditions have been most unfavorable all Spring, and we have on hand an immense stock of newest, freshest and best goods in the county that must move.

Last Season:
According to our promise, we conducted the most successful sale we had ever held, and already scores of our customers are importuning us to hurry up our reductions.

First Reductions:
The first slice that we shall make will be a straight 10% to 25% off the original price. This will include everything except perfectly staple goods and Summer apparel.

Our Windows:
We won't waste space in telling you about bargains. Any one can see the articles as put in our windows and the price will tell it's own story.

Your Gain:
This sale, coming right in the heart of Summer, is to your advantage. Every article will be priced uniformly and positively no change of price will be made.

Alterations and Terms:
It is useless to remind our customers that terms will be cash and all alterations at their expense.

Caution:
It stands to reason that the cream of the stock will go immediately. To delay means you lose the best buy.

Next Week:
Oh! Well,—you read the "KENT NEWS," don't you? STORE WILL OPEN SIX O'CLOCK AND CLOSE AT MIDNIGHT.

GALENA

Rev. and Mrs. O. H. Connelly and two children, Walton and Elizabeth, of Colora, Md., are spending sometime with relatives in town.

Mrs. Foxwell, of Chestertown, is visiting at the home of Mr. and Mrs. John Walls.

The Sunday evening service in Olivet M. E. Church was in charge of the Junior League Diploma class. The church was decorated in the League colors with roses, the beautiful Jr. E. L. pennant won by Easton District in the League contest being prominently displayed. After the exercises by the class, we had an address by the former Junior League Superintendent, Mrs. F. H. Ruth, on "Making Methodists." Certificates and Diplomas were presented by the pastor to the following: Helen Vansant, for four years work; Marian Dempsey, for four years work; Marjorie Todd, for four years work; Nellie Dempsey, for five years work; Lavelee Dempsey, for five years work; Blanche Dixon, for five years work; Frances Wood, for five years, Evelyn Fowler, for five years work; Mollie Dixon, for five years work; Hilda Boyd, for five years work. Miss Vera Whitaker is the teacher of this promising class.

Miss Evelyn Fowler is visiting relatives in New York.

Owing to the storm last Friday, the school picnic was not held at Dyer's Point, as had been planned, but all seemed to have a pretty good time in the school.

Mrs. Charles McNamee, Mrs. Eben Jones and Miss Helen Jones, of Wilmington, spent the week end with relatives in town.

Mr. and Mrs. Wm. C. Dempsey and little son, Theodore, of Kennedyville, spent Sunday in town.

The Epworth League held its monthly business meeting and social at the home of the president, Mrs. Walter Hadley, last Tuesday evening.

Ladies' Aid Society for June met at home of Mrs. Thomas Caldwell. A large crowd attended. Caldwell & Davis kindly furnished conveyance from town and all had a pleasant time. The new members received.

Miss Carrie M. Dempsey, Jr. League Supt., gave a reception on Monday evening to the Jr. E. L. Diploma Class of 1916. The table was beautifully decorated in red and white roses and pennants and lighted with candles.

KENT NEWS, the people's favorite $1 per year.

ACCIDENT ON STATE ROAD

On Sunday, while coming from Centreville to Chestertown, enroute for the north, two automobiles engaged in a race one a high-speed Mercer and the other a $7,800 Simplex.

When near the gate of Mr Carroll Leverage, about three miles from Chestertown, Emory Hugle, of Middletown, and A. J. Carpenter, of Philadelphia, after running over several piles of stones collided with a telephone, splintering it and nearly breaking it in two parts.

The former is now in Easton Hospital with his leg broken in three places, and other injuries while his car was, of course, greatly damaged. The other driver who lives in Pennsylvania, and who is a Harvard student, escaped almost unhurt.

While this race was in progress the cars were oftimes abreast, peaceful autoists and teamsters crowding off to the roadside to escape with their lives. One of the drivers is said to have remarked that "just before the accident I looked at my speedometer and it registered 73 miles an hour."

WESTERN MARYLAND College reappears in our columns this week soliciting the patronage of our people. This College established a reputation in the 48 years of its existence as a safe, thorough and earnest school. Its young people are doing it credit and its work has been felt all over the state. From its recent catalogue it appears to have 230 students and 21 teachers. It has graduated over 800. The courses of study cover the usual subjects in the best Colleges and we have no reason to think they are not well covered. We are interested especially in the course in Pedagogy which is offered to graduates, by which they are prepared to teach in the public schools and are given a certificate to teach by the State Board of Education without examination. We have heard nothing but good reports of this institution and we commend it to our readers.

Rock Hall, Md., June 13 1916.

EDITORS KENT NEWS:

Did you and all your readers say "Hurrah" on June 1st? I did. Knowing that the new State Roads Commission is now permitted to build the Rock Hall-Chestertown road seems a step nearer its construction.

Whee! KENT NEWS, we of our section at least, are not trying to "dictate the route," we are asking only for common sense and impartiality, the best for the most people.

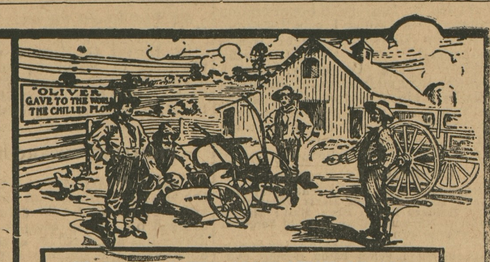
Tax Payer, you hit the nail squarely on the head when you said: "If the merchants of Chestertown had to depend entirely upon the patronage of the town citizens they would have had 'To Let' signs in front of every door long ago." But you were talking of hitching posts. Hitching posts! Why, Rock Hall has been begging for years for a decent road by which to visit those merchants!

Chestertown doesn't come to Rock Hall to spend its money. Does it? Do *you?* Then help us make it easy for us to continue to support your merchants as we have done for many years.

The whole United States knows that good roads are of more benefit to the cities and towns than they are to the country which they traverse, yet a road will be of sufficient benefit to us to make us fight for our rights if we cannot get them otherwise.

Chestertown has been receiving benefits from Rock Hall for a century. Now show your appreciation. This is a county proposition. Come out and help us.

R. H. TAPPEE.



IT COMPELS THE ADMIRATION OF ALL

THE JAMES OLIVER No. 11 SULKY PLOW

By reason of its simple construction, light weight, easy draft, durability, and perfect work is

THE BEST PLOW YOU CAN BUY
SOME OF THE REASONS

The only sulky plow made with which you can turn either gee or haw equally well, leaving no hard spots, and avoid the necessity of plowing out corners.

It is the lightest draft riding plow made, due to the entire absence of landside friction and the even distribution of the load. The weight of the plow and driver is CARRIED instead of being DRAGGED along.

One share on the No. 11 will outlast four walking plow shares. It holds to the ground at all times, especially in dry weather. May be used with or without tongue. The turning and scouring qualities of the OLIVER PLOW BASES are unequalled.

Right after harvest you will be ready for your plow again. We have sold over 150 of No. 11 Oliver Sulky Plows within the last twelve months and will have what you may need for this Fall. Expecting another carload any day now

Do You Really Know Your Hauling Costs?

Do you actually know what you are paying out to make your deliveries and your pick-ups? Did you ever sit down and get at the actual figures? If you are using horse-drawn vehicles, have your customers ever kicked on the slowness of your deliveries? Have your horses ever given up entirely at times because of severe storms—have they ever failed because of bad, heavy roads—have you sometimes nearly lost one or more of your best customers because one or the other of these two causes prevented your making deliveries on time? If you ever have tried to figure your delivery costs, did you ever include, as part of that cost, the good will of your customers, depending upon how quickly you can serve them?

Smith Form-a-Truck will save you all this trouble and worry—and will always get there on time.

You may *think* that you have got the cheapest and quickest delivery system to be had. But are you SURE? Are you honest with yourself if you don't investigate every proposition that bears upon this most important matter of deliveries? Don't you owe it to yourself to investigate this Smith Form-a-Truck proposition? You know that no car has ever been operated as economically, nor given greater service per cost, than the Ford car.
