THE potato crop in Kent is most promising. From Tasley station comes a report that one farmer has a yield avering more than 100 barrels to the acre, the price received being about $5 a barrel. Growers from Davis' wharf report a banner year will be the outcome in that vicinity this year. At Finley's wharf one farmer planted his seed potatoes on March 10, and began to ship potatoes on June 16, receiving $3.50 to $5 a barrel. Nearly every farmer who plants potatoes in Virginia expects to get $100 an acre net from his land this year and some expect to reach $350 to $400 an acre. While the Virginia onion crop will net about same figures, potatoes grown exclusively for seed will net much larger sums per acre. This crop will be harvested about July 10.

THE sale of cars goes merrily on. Dr. James Urie has bought an Overland of J. H. Clendaniel, Jr. Waddell & Son have sold an Allen car to James Stevens, of Queen Annes. Messrs. Graham, Clements & Sutton have taken the agency for the Chalmers auto. Kent countians will bear in mind that the new automobile law, reducing the license per horse-power, goes into effect July 1. After that date the fee is 50 cents per horse-power or fraction per year. After April 1 a person is charged for three quarters of a year; after July 1, one-half year, after Oct. 1, one-quarter year. Hence, the license for a Ford, or 22½ horse-power, will be $11.50 per year. Our friend, Mr. Polk Bramble, has decided after a week's experience, to give up autoing, and sold his runabout to Lofland & Culp who will turn it into a truck.

Thos. W. Eliason, Jr, has bought a 5-passenger Chalmers of Graham, Clements & Sutton; T. S. Bordley & Sons have purchased a 6 cylinder Overland from J. H Clendaniel, Jr.; J W. Hirons is building a garage on Cannon street in which to house his Ford car.

THE tax rate of Queen Annes county is $1 43 on the $100 for the coming year, which is the highest in the county's history.

A SERIOUS auto accident occurred near the college Saturday night when a Federalsburg man crashed into a culvert and sustained several painful cuts about the face and hands. Dr. H. G. Simpers dressed the man's wounds, while Messrs. Harry Graham, Merrick Clements and Robert Wilson brought the car in town and repaired it.

COACH KIBLER has added Brown, Earickson and Frampton to the Cambridge team, making almost the entire W. C. team. He has won every game thus far.

J. H. FERSKIE, the artist formerly of Chestertown, has opened his new Casino theatre at Ocean City and the place is being generously patronized. The theatre is one of the most up to date on the Eastern Shore and is proving to be one of the greatest attractions of Ocean City.

A WEST VIRGINIA man has sent a farmer $3 as principal and interest on the melon he carried off fifteen years ago. If this habit become contagious we can safely prophesy there will soon be a considerable number of well-to-do farmers in this locality.

THE Young Men's Club of Christ M. P. Church and their lady friends held a 4th of July celebration Tuesday evening on the porch of Mr. and Mrs. Fred. G. Usilton's home. Messrs. R F. Huey, J N. ROCK HALL SCHOOL

Presentation of Flag And Holy Bible By Rock Hall Council, No. 25, Daughters of America.

During the past year a splendid high school has been erected at Rock Hall. Rock Hall Council, No. 25, Daughters of America, planned to take part in the dedication exercises by making suitable gifts to this high school, an American flag and Holy Bible. Preparations were made for the exercises to take place on Wednesday, June 7, 8 P. M.

Rock Hall Council requested the Asst. State Secretary, Mrs. Mabel E. Cox, to come to Rock Hall and present the American flag and Holy Bible on behalf of the council.

Sister Cox left Baltimore on Wednesday June 7, 4 P. M., and arrived at Gratitude at 6 30. Was met at the wharf by Sister Mabel Scoone and driven to Rock Hall to the home of Sister Agnes Lewis.

The exercises at the high school started promptly at 8 P. M, but the speaker from Chestertown, who was to dedicate the high school did not arrive The roads between Rock Hall and Chestertown were in a bad condition due to the rainy weather, which we feel caused the absence of the speaker.

A large and representative audience filled the assembly hall. Rock Hall Council, No. 25. turned out splendidly, and they certainly must be complimented on their patriotic spirit, and the interest they have taken in the public schools of Rock Hall. The people in this pretty Maryland town are noted for their sociability, friendliness, and hospitality; a visitor is not in Rock Hall many hours before they are well acquainted and made to feel quite at home.

The exercises consisted of several National anthems sung by the entire audience. Prayer and benediction was offered by a local minister The flag and Bible was presented by Sister Cox in a very appropriate address She emphasized the importance of instilling patriotism in the hearts of the children, teaching the children allegiance to our flag by having the "Flag Salute" to form part of the opening exercises in the public shools each day. The principles and objects of our Order were outlined, and attention called to the importance of joining an organization and assisting in the cause of Loyalty, Love and Patriotism

A short history of the American flag, was included in the address of Sister Cox. She told how the stars and stripes had been adopted after the Declaration of Independence, consisting of thirteen stripes and thirteen stars set in a blue field, and of the growth of our Star-spangled Banner until now it contained 48 stars representing that number of States but the stripes remained thirteen, representing the original 13 colonies.

In speaking of the Holy Bible she stated "The Holy Bible is a book so well known in most every community and accepted by every Christian Country, and we feel no public school is complete without a Holy Bible" and concluded her address thus:

"On behalf of Rock Hall Council, No. 25, Daughters of America, I have the pleasure of presenting this American flag and Holy Bible to Rock Hall High School. Let us hope the American flag will forever wave over our public schools continuing to instill patriotism in the hearts of our children; and the Holy Bible be read daily fostering the love of God and fellow-man."

The gifts were accepted by the principal of the high school, Prof. Davis, in an excellent manner. He stated the gifts would be used by the school and he would do all in his power to instill patriotism in the children, and teach them to be good, true citizens of this country.

Rock Hall, Md., is the home of many wide-awake, active people The high school has a patrons' club, the main object of which is to raise money to purchase necessities for the school. They are truly fulfilling their duty, giving assistance to our public schools. May they continue their good work.
