"IT'S THE LONG BLUE CHIMNEY"

IF you are a business man, if you are a professional man, if you are employed at a daily wage, make up your mind to deposit weekly a certain sum of money in the bank. You'll be surprised how the sum will grow. Cash in bank gingers up the man who has it there. He has more confidence in himself. The business man is ready for a dull season. He is ready for an opportunity.

So is the professional man. The man who is working for a daily wage and who hasn't any money in bank frequently is fearful of a loss of his situation. He does not work as well or with the confidence in himself as does the man with something laid aside for a rainy day.

"THE MIKADO" ON CHAUTAUQUA'S CLOSING NIGHT.

The Chautauqua Association has just announced that on the closing night it will present the popular opera, "The Mikado." This will certainly be a record event.

Though this Gilbert and Sullivan classic is known to everybody, few have seen the opera, and those lucky few are eager to see it again. The famous songs, "The Flowers That Bloom In the Spring," "Hearts Do Not Break," "Tit Willow" and several others, are familiar, though many persons do not know that they are from "The Mikado." The Gilbert and Sullivan operas are the best music, the best comedy and the most delightful entertainment to be had.

POMONA GRANGE IN STILL POND

The Pomona Grange was well entertained at Still Pond Thursday last July 20. The meeting was called to order by Worthy Master Smyth. Each subordinate grange was called on for a report o work accomplished during preceding term. The reports were very favorable, showing the grange has a strong hold on the better thinking, more progressive people of each community, that the grange influence was very effective in helping secure the several High Schools which have just been or are about to be built in Kent Co. The subordinate granges kept the representatives in our last legislature and in Congress informed of their positions on the questions and measures which effect the farmer, The grange should and does stand for the betterment of each community where it exists. Among the many boosters of the granger we will always find a few knockers But

If you want to see the kind of a grange,
Like the kind of grange you like,
You needn't pack your clothes in a grip
And start on a long, long hike.
You'll only find what you left behind,
For there's nothing that's really new;
It's a knock at yourself when you knock your grange,
It isn't the grange it's you.

One member of each grange was appointed as a committee to assist our county agent in preventing the spread of hog cholera. Our Worthy Secretary was instructed to write a letter of sympathy to Bro T. E. W. Crew whom we miss so much in our meetings.

After a fine dinner, which was enjoyed by all, we went to the Lecture Room of Still Pond Church for the afternoon sessions. Mr. Baumberger of Md. State College, gave a most interesting and instructive address, on Clubs for Community Betterment. Bro. Burrell, our county agent and his brother, a county agent in Indiana, gave interesting talks. Solos by Mrs. Shallcross, Mrs. Evelyn Harris and Bro. Shauer, of Kennedyville, were thoroughly enjoyed.

Misses Anna and Regina Rasin and Dorothy Medders favored us with humorous recitations. Reading by Mrs. Covey, Mrs. Williams and some excellent violin music by Mr. Merritt Twilley completed the lecturer's most excellent program.

The next Pomona meeting will be at Galena in Oct. At this meeting the officers for the ensuing year will be elected. Our present staff of officers have done most admirable work and their places will be hard to fill.

After a supper with ice cream and cake as trimmings, all left feeling they were glad they had not been among the missing that day. All extended their sympathy to Mr. Medders in his great loss.
