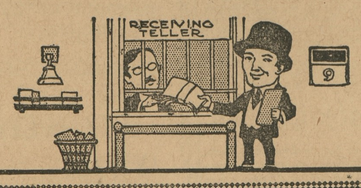
"IT'S THE LONG BLUE CHIMNEY"



IF you are a business man, if you are a professional man, if you are employed at a daily wage, make up your mind to deposit weekly a certain sum of money in the bank. You'll be surprised how the sum will grow. Cash in bank gingers up the man who has it there. He has more confidence in himself. The business man is ready for a dull season. He is ready for an opportunity.

So is the professional man. The man who is working for a daily wage and who hasn't any money in bank frequently is fearful of a loss of his situation. He does not work as well or with the confidence in himself as does the man with something laid aside for a rainy day.

Miss Virginia Smith, a sixteen-year-old girl of Crumpton saved the life of Kathryn Walls, of Philadelphia, Monday afternoon when a crowd of young folks were bathing near Crumpton wharf. A 14-year-old Baltimore boy was swimming with Kathyrn, who is as large as himself, on his back. When they reached the channel the girl became frightened, lost her hold and went under. She did not come to the surface but Miss Smith who was in the crowd saw her bathing cap come up and struck boldly out for the spot and grabbing under the water caught the unconscious girl by the hair and swam with her to a nearby post and waited for assistance. Needless to say the public always appreciates bravery.

The "Kent" Damaged.—The power boat "Kent" owned by Mr. Cyrus G. Howard, which has been doing a freighting business on the Chester river and Chesapeake Bay for a number of years was badly damaged by fire on Friday on the Delaware River. Also 300 baskets of a cargo of 3000 baskets of tomatoes were destroyed.

The boat was leaking slightly and some one went into her hold to stop the same. In looking for the leak, he lit a match, which ignited considerable gas.

The fire was extinguished before it gained such headway that the boat was unable to float, but some damage was done to both boat and cargo. The damage to the boat amounted to $600.
