THE Cecil County Commissioners on Thursday awarded the contract for building 1 1-3 miles of improved road between Cecilton and Warwick to E. R. Sutton, of Perryville, the lowest bidder.

IT is reported that the troops from Eagle Pass will be coming home soon. Our authority states that the local guardsmen are to be relieved on that date by other national guards, who will be given three months' border service.

ON account of accumulation an embargo has been placed on all grain shipments through the Locust Point terminals of the Baltimore and Ohio covering shipments of grain via boat lines or rail, irrespective of origin, consigned or reconsigned or to be reconsigned for export. The notice stipulates that shipments billed up to and including August 15 will be accepted. At the offices of the company it was stated that there are 3,100 carloads of grain at Locust Point and in transit and 1,500,000 bushels stored in the elevators. An embargo on grain shipped to Philadelphia was also declared this week. Some of the local vessels are in the harbor with their first load of grain!

SOME Kent farmers complain of their lot and many of them have reason. But speaking of a farmer's hard luck that at Selbyville during a severe electric storm recently seems to have come full handed. Struck by lightning a mule which Asa Pilchard was unharnessing had both its ears burned off, while Pilchard was knocked unconscious. The flash also set fire to the barn, struck a cow and killed it and then traveled down a wire fence and killed three hogs. During the fire another mule and cow were burned to death. When the storm was over all Pilchard had left was one burnt-eared mule. His barn and everything in it had been destroyed!
