DEMOCRATIC TICKET

For President:
WOODROW WILSON.

For Vice-Pressdent:
THOMAS R. MARSHALL.

For United States Senator:
DAVID J. LEWIS,
Of Allegany.

For House of Representatives:
JESSE D. PRICE,
Of Wicomico.

THANKS to President Wilson and Congress the threatened railroad strike was averted.

EDISON has declared his intention to vote for Wilson. He is a Republican, too. Next.

THE Public Service Commission has cut the toll charge across the Havre de Grace bridge just one-half. After October 1st autos will be charged 50c and other vehicles in proportion.

THE Republicans are trying hard to rob Hon. David J. Lewis of his Parcel Post honor. May as well try to stop the Niagara Falls. To hear him speak on the subject will convince anyone that he is its "daddy." Ask the Adams Express Co.

AT Dover Tuesday the Democratic State Convention selected the following ticket:

United States Senator—Josiah O. Wolcott, Wilmington.

Governor—James H. Hughes, Dover.

Congressman—Albert F. Polk, Georgetown.

Attorney-General—Armon D. Chaytor, Jr., Wilmington.

Lieut. Governor—Lewis E. Eliason, of New Castle.

Treasurer—James Lord, Camden.

Auditor of Accounts—W. G. Roe, Smyrna.

Insurance Commissioner—Thomas R. Wilson, Georgetown.

THE Baltimore Sun of Monday contained a brilliant article written by our esteemed citizen, Hon. James Alfred Pearce, on the Budget amendment to be voted on this Fall. This article explains the value of the budget system and the way in which it will operate to check legislative recklessness and to insure a fair and business-like application of the State revenues to public purposes. No one in the State is better fitted to discuss a measure of applied democracy than is Judge Pearce and his endorsement will carry much weight. Under this amendment it will be practically impossible to run up another deficit such as that which scandalized us last year, and we shall place a curb-bit in the legislative mouth that will put a stop to reckless appropriations.

AT an enthusiastic Prohibition Convention in Easton, Tuesday, Mr. James T. Anthony, of Queen Annes, was nominated for Congress from first Congressional District. A committee consisting of Mr. H. S. Dulaney, of Wicomico county, J. R. Jarrell, of Easton, W. F. Wiggins, of Queen Anne, M. A. Toulson, of Chestertown and Ivanhoe Willis were appointed to officially notifiy Mr. Anthony of the nomination which will be done in a formal way at some time in the near future. Mr. Anthony is "almost a Kent Countian" living close to town. He was the candidate of this party in 1894 and got over 2,000 votes, this was a thousand more than any other candidate had received.

A CHALLENGE ANSWERED

The following letter addressed to Jas. G. Beck, President of the Kent and Queen Anne's Fair Association, from John F. Mallalieu, will explain itself:

"Having been reliably informed that Mr. Holt Woodall, owner of the pacer Twinkle March, says he is willing to match him against any pacer owned in Kent or Queen Anne's county for $250 a side, to take place over your track, the writer has decided to accept the challenge on behalf of the pacer Happy J., and willing to post $75 as forfeit money as a guarantee of good faith on the part of said horse. The owner of said Twinkle March to post a like amount, and would suggest October 12 as a suitable date, same being a holiday and racing season practically over. If they mean race, make it 3 in 5 or 5 heats a race, so the public may have a race for their money. We will be ready with our part of program."

Twinkle March is owned by Mr. Holt Woodall, of Galena, and has a record of 2 16¼. Happy J. is owned by Mr. John Hale, Barclay. This would make a fine race between a Kent and Queen Anne's horse.

WHO IS COUNTY'S OLDEST CITIZEN?

Who is the oldest man in Kent county?

Who is Kent county's oldest man or woman?

Who has continually resided in Kent county for the greatest number of years?

These three questions have, perhaps, been asked thousands of times by residents of this county, and just because no one has ever been able to answer any one of the three. The NEWS has set out to answer them with the help of its numerous readers.

Would't you like to know Kent county's oldest man and woman, and wouldn't you like to know who has lived in Kent county the greatest number of years? Then wont you help the NEWS solve the problem by finding out who they are?

Many, many times the NEWS has published death notices of aged citizens with the statement that "The deceased was one of the county's oldest citizens." Perhaps at the time that particular individual was the oldest citizen. But who, at this time, has the distinction of being the oldest Kent countian—and is the oldest citizen a man or a woman?

With the help of the readers, the NEWS can easily answer all three of these questions. Let each reader recall the number of aged residents of his community. Jot down their names and ages and send them to this newspaper. If someone responds from each neighborhood it will be a very easy matter to find out who is entitled to belong to the honor roll of years.

This should appeal to every person who is imbued with proper respects for maturing age. Every person feels kindly disposed to those who have passed the bright noon-day of life and who are now traveling toward the vale where the shadow obscures the sunlight. Let's find out who these worthy and venerable Kent countians are.

AFTER thirty-four years of the use of the present type of dimes, quarters and half dollars, a new series of these coins in a new design will soon be placed in circulation. The law provides that the design of coins can be changed only once in every twenty-five years, but no alteration in these coins has been made since 1882. The last new coin to be introduced was the "buffalo" nickel, issued in 1913
