JOHN A. BIBB KILLED

Struck by Great Boulder During Blast at Round Hill.

Harrisonburg, Va., September 22.—While blasting at Round Hill Quarry, seven miles west of Harrisonburg, late yesterday afternoon, John Alfred Bibb, 56 years old, superintendent of the quarry, was killed when he was struck by an immense boulder. Mr. Bibb and four of his men had sought safety behind a cliff, but the jar of the explosion disloged a boulder near the men. While Mr. Bibb was yelling to the men to look out for their lives he was struck in the side by a huge stone and another rolled over his body. He died in 30 minutes.

Mr. Bibbs had been in business 30 years, and in a former accident lost an eye and several fingers. His men were getting out stone to be used for paving the streets of Harrisonburg.

Mr. Bibb leaves six children (Mrs. F. K. Betts, Jr., of Harrisonburg; E. J. Bibb, of Harrisonburg; Fleming Bibb, of Havre de Grace, Md; Charles E. Bibb, Toll gate, W. Va.; Locher H. Bibb, of Pratts, N. Y., all children by his first wife, who was Miss Fannie M. Blevins). He also leaves his second wife, who was Miss Viola M. Howard, of Chestertown, Md., and an infant of two months.

CHAS. F. WHEATLEY RUN DOWN

Mr. Charles F. Wheatley, son of Mr. and Mrs. Wm. A. Wheatley, met with quite a serious accident last Saturday morning while on the state road near Church Hill. Mr. Wheatley and family live in Baltimore and have been visiting the home folks here for several weeks.

Saturday morning while returning on his motorcycle from a short visit to his brother at Federalsburg he suffered the injury. The accident occurred as Mr. Wheatley was descending Brown's Hill, near Church Hill. Mr. Wheatley had several teeth knocked out. was considerably bruised about the face and body and was rendered unconscious at almost the instant that the automobile struck him. After having descended Brown's Hill, Mr. Wheatley, who had slowed down to about a fifteen mile pace, heard an auto approaching him from the rear, which rapidly gained on him until it was directly behind. Then Mr. Wheatley felt the blow of the auto with his machine and he lost consciousness.

The Centreville bus, arriving on the scene of the accident some minutes later, found him in an unconscious condition and carried him to Church Hill, where Dr. Dudley revived him and he was brought back to Chestertown where Dr. H. L. Dodd rendered him medical aid. He is able to be about but bears the marks of the accident.

On Sunday Mr. Hurley, of the State Roads Commission, was in Chestertown accompanied by the Sheriff of Queen Annes county. They are making every effort to discover the guilty party.

DR. WM. S. TWILLEY RETURNS

Dr. William Shaw Twilley, a dentist, brother of Dr. Chas. R Twilley, of Chestertown, and a former resident here, returned from Spain this week. He stopped at the Rennert Hotel and expects to visit Philadelphia and New York and on Saturday will sail for Spain.

After building up a successful practice in Baltimore about a score of years ago, he became ill and went West. There he married, but the high altitude of Colorado did not agree with his wife and after trying California and other Western states he went to Malaga. He found the climate there ideal. He said he probably would continue to live there although he was thoroughly American and holds that Baltimore is the best city in the world after all.

Asked about conditions in Spain, he said:

"The Spaniard has been in a lethargic state for several hundred years, but he is beginning to see things differently now, but the metamorphosis must come slowly, for the Spaniard will not be hurried in anything. Electric lights, trolley cars and the automobile are doing wonders in waking the people up and there is a great future for them."

The Rev. Dr. Martin will leave for St. Louis early next week to attend the triennial sessions of the General Convention of the Episcopal Church as a delegate from the Diocese of Easton. The convention will be in session about three weeks. There will be morning service in Emmanuel Church each Sunday during his absence at 11 o'clock. Bishop Adams will hold service and preach in Emmanuel Church next Friday, Oct. 6, at 7.30 p. m.

AN ELKTON JURY AWARDS $7,500 DAMAGES

Candy Kitchen Proprietors Win Suit Against Graham, Clements & Sutton in a Hard Fought Case in Cecil Court.

Friday the damage suit of Christos Alevizatos vs. Graham, Clements and Sutton, for damages for personal injuries received while a guest on a bus near Still Pond, removed from Kent county, was put on trial at Elkton before the following jury: Albert M. McNamee, foreman; Clarence Thornton, Charles A. Kirk, Clinton W. Purner, Clifford D. Whiteoak, Harry R. Barnes, Otis Kline, Herman Jackson, John P. Meredith, Charles A. Heatzig, William W. Burkley and H. Winfield Lewis. Hope H. Barroll and L. Wethered Barroll, Esqs., of Chestertown, Henry L. Constable, William P. Constable, Omar D. Crothers and Wm. S. Evans, Esqs, of Elkton, for plaintiff; W. W. Beck and S. Scott Beck, Esq., of Chestertown, William T. Warburton and Henry A. Warburton, Esqs., of Elkton, for defendants.

The case was given to the jury at noon Thursday and after being in for five hours returned a verdict of $7,500 for the Greek. This verdict, to say the least, was a great surprise to the citizens in Kent who knew the facts in the case. It will likely prevent many auto owners from being liberal in taking friends and others for a ride. A motion for new trial was made.

The case of the other Greek who received minor injuries compared to Chris is to be tried in December.

GRANGE NOTES

Worton Grange held its regular meeting last Monday eve. We are preparing for a great time on Saturday, Oct 7th. Not only for grangers but a community day. Exhibits of canned goods preserves, jellies by the ladies, also by the school children. Three lady grangers of sister granges will act as the judges, conferring blue ribbons for 1st prizes, red for second. The fancy work department consisting of embroideries and crochet work promises to be a work of art and well worth attending to view.

At 1.30 o'clock a tournament with prizes of $10, $8, $5 and $2 will be ridden. 25c admission will be charged which will entitle you to see a game of baseball between Still Pond and Kennedyville. The winning team will be given their supper so we may expect some playing. Beginning at 5 o'clock the ladies will serve supper in the hall. We expect two interesting talkers to give the addresses. So quit work for half a day and come to our little town and you will be well repaid for your time and money spent. Grange meets next Monday, Oct. 2.

THE Chestertown Choral and Dramatic Club will begin its regular rehearsal season next Tuesday, October 3rd. Preparations for the production of the operetta which has been decided upon will begin at once. The name of the production will be announced later. All members and prospective members are urged to report at this meeting. Attention is called to the regulation of the club which prohibits any individual from taking part in public performances who has not registered during the early part of the season. Professor Ten Hoor will be in charge of the club during the coming season with Professor Clarke as dramatic director.
