Health for Sick Women

For Forty Years Lydia E. Pinkham's Vegetable Compound Has Been Woman's Most Reliable Medicine —Here is More Proof.

To women who are suffering from some form of woman's special ills, and have a constant fear of breaking down, the three following letters ought to bring hope:—

North Crandon, Wis.—"When I was 16 years old I got married and at 18 years I gave birth to twins and it left me with very poor health. I could not walk across the floor without having to sit down to rest and it was hard for me to keep about and do my work. I went to a doctor and he told me I had a displacement and ulcers, and would have to have an operation. This frightened me so much that I did not know what to do. Having heard of Lydia E. Pinkham's Vegetable Compound I thought I would give it a trial and it made me as well as ever. I cannot say enough in favor of the Pinkham remedies."—Mrs. Mayme Asbach, North Crandon, Wis.

Testimony from Oklahoma.

Lawton, Okla.—"When I began to take Lydia E. Pinkham's Vegetable Compound I seemed to be good for nothing. I tired easily and had headaches much of the time and was irregular. I took it again before my little child was born and it did me a wonderful amount of good at that time. I never fail to recommend Lydia E. Pinkham's Vegetable Compound to ailing women because it has done so much for me."—Mrs. A. L. McCasland, 509 Have St., Lawton, Okla.

From a Grateful Massachusetts Woman.

Roxbury, Mass.—"I was suffering from inflammation and was examined by a physician who found that my trouble was caused by a displacement. My symptoms were bearing down pains, backache, and sluggish liver. I tried several kinds of medicine; then I was asked to try Lydia E. Pinkham's Vegetable Compound. It has cured me and I am pleased to be in my usual good health by using it and highly recommend it."—Mrs. B. M. Osgood, 1 Haynes Park, Roxbury, Mass.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

BIG DAY AT GALENA AWARDS AND GRANGE

Pomona Grange Hold a Fine Meeting —County Prize Winners Announced—List of Winners—Exhibits.

Saturday was a red-letter day in Galena. The local grange entertained Pomona Grange and the Home Economic Exhibit with winners for the year was an interesting event. They brought basket lunches and had a pleasant dinner and supper together in the large supper room of Mr. Edward Morgan's store, after which the Galena Grange served ice cream and cake. The speeches and discussions of both sessions were both interesting and helpful.

The Home Economic Exhibit created much interest. Exhibits of canned goods, sewing, corn, poultry, etc., were brought from most schools in the county, and gave a practical example of what the Co-operative extension work in agriculture and home economics are doing in Kent under the direction of Miss Comstock. In the Girls Canning Club, three girls in each county are chosen to receive the State prize, the trip to Baltimore for Md. Week.

To be eligible for these prizes, a girl must have put up during the season 100 containers of fruit, vegetable, jelly, etc., have made her cap and apron and kept a record of her work. The girls in Kent who received the highest prize in the county are 1st prize, Mary Corneleus, age 12, Locust Grove; 2nd prize, Helen Matthews, age 16, Golt; 3rd prize, Clara Medders, age 11, Still Pond.

Miss Katharine A. Pritchett, State agent for Home Demonstration Work in Maryland was present and judged the girls work. In judging she considered four points (1) quality, (2) number, (3) display and (4) general attitude of the girl as shown by her interest in the work. Miss Pritchett spoke before Pomona grange, which met at Galena that day, about the progress of the work in the State. She spoke of the need of co-operation and hearty support on the part of the people to make it the success here that it has been in other counties. Miss Comstock spoke of the work in the county.

There were eight of the nine clubs represented at Galena, Betterton did not exhibit and only one girl from Kennedyville and two from Fairlee. There were about 60 girls who had entries at Galena which represents a total of approximately 1000 containers.

The following won the prizes offered for poultry, as a number of the girls are engaged in raising pure-bred poultry and some fine fowls were on exhibition:

IF you are a business man, if you are a professional man, if you are employed at a daily wage, make up your mind to deposit weekly a certain sum of money in the bank. You'll be surprised how the sum will grow. Cash in bank gingers up the man who has it there. He has more confidence in himself. The business man is ready for a dull season. He is ready for an opportunity.

So is the professional man. The man who is working for a daily wage and who hasn't any money in bank frequently is fearful of a loss of his situation. He does not work as well or with the confidence in himself as does the man with something laid aside for a rainy day.
