ROCK HALL

Rev. J. W. Prettyman on Sunday morning gave his congregation a wholesome talk upon the Scriptural passage, Psa. 19: 7-11, after which the administration of the Lord's Supper was solemnized to about 60 communicants. The Sunday-school session in the afternoon had its four corners brightened by a number of visitors from other sections, among whom was Miss Mattie German, the evangelist, whe rendered a sweet solo. Ere the close of the session Rev. Mr. Prettyman and Mr. T. E. Jones were happy grandpops, the occasion being the baptism of John Edward, the infant son of Mr. and Mrs. Harrison Jones.

Mrs. A. Alexander, who went to the city to participate in the celebration of the recent Jewish New-Year, has just returned to her home here. She seems to have taken copious draughts of the bloom of youth and looks as fine as silk.

Mrs. Levy, of Baltimore, and Mrs Hague, of Lynch, are guests of their sister, Miss Ryan, for this week.

Mr. Edward Apsley, of Philadelphia, was a week-end visitor at the paternal home, Capt. J. E. Apsley.

Mr. M. L. Maslin can "beat the band" raising monstrosities. He has on exhibition in J. B. Durding's drug store window a white sweet potato in shape of a young swan. The body is about six inches long, with a neck about ten inches long and crooked like a swan neck. It is mounted on three legs, brass eyes and a real feather tail.

St. John's R. C. Church has been newly painted and presents a fine appearance.

There has been an exodus of oyster men from Chester river to Swan Point, where oysters are plentiful and in better condition. This exodus will prove beneficial to the river bars, as it will give them a good chance to recuperate.

One of our oystermen a few day ago, after a hard morning's work, sat down to enjoy his lunch, when lo, upon lifting the lid he was confronted with a pound of lard! He didn't cuss—he just grinned. His wife the next day went all the way to Abe Cohen's and bought an up-to-date dinner pail So if another mistake of the kind happens there will be something doing.

Mr. J. M. Blaustein's fall opening took place October 31, and the results so far are far and away from his expectations. He is having a big rush and shoppers are delighted with their dealing with him.

Mrs. Wm. T. Ashley and family are having their share of this old world's troubles. Mrs. Ashley is in a city hospital undergoing treatment and other members of the family are also sick.

The Northern Overall Co. has communicated with Mrs. Grace Crouch requesting her to visit their factory with a view to resumption of operations at the factory here. Mrs. Crouch went to the city Tuesday to get full instructions on making overalls. The re opening of the factory here is assured, and the company promises to furnish steady employment to the operatives of this section at good pay. This re-opening means much to this place.

PEACE OR WAR THE ISSUE

Speaking at Battle Creek, Mich., September 30, last, Theodore Roosevelt said:

"I have been asked what I would have done had I been President when the Lusitania was torpedoed.

"I would have instantly taken possession of every German ship interned in this country and then I would have said: 'Now we'll discuss, not what we will give, but what we will give back.'"

THAT WOULD HAVE MEANT WAR!

It would have been a challenge to the German nation to a trial at arms. It would have been a violation of every principle of neutrality, and at a time, with all Europe under arms, when this country was the trustee of and the only nation capable of upholding neutral rights.

The seizure itself would have been an act of war, just as the seizure of German interned ships by Portugal was regarded as an act of war and was followed by an immediate declaration of war by Germany against Portugal.

Following the same line of war talk, speaking at Lewiston, Maine, August 31, last, Mr. Roosevelt said:

"The policies of Americanism and preparedness, taken together, mean applied patriotism. There should be correlation of policy and armament. * * * America, which sprang to the succor of Cuba in 1898, has stood an idle spectator of the invasion of Belgium, the sinking of the Lusitania, the continued slaughter of our own citizens, and of the reign of anarchy, rapine and murder in Mexico."

These are the deliberate declarations of the men with whom Candidate Hughes has said, "I AM IN COMPLETE ACCORD," and Hughes has publicly congratulated Roosevelt for what he said.

From their public statements the conclusion is inevitable that if either Roosevelt or Hughes had been President when the Army of the Kaiser invaded Belgium we would have had war with Germany; that when the Lusitania was sunk that we would have had war with Germany, and that now we would have instant war with Germany over the submarine raids in the Atlantic ocean off the Massachusetts coast.

Must we not agree with President Wilson when speaking at Shadow Lawn on September 30, last, he said:

"Am I not right that we must draw the conclusion that if the Republican party is put into power at the next election, our foreign policy will be radically changed?

"I cannot draw any other inference. All our present foreign policy is wrong, they say, and if it is wrong and they are men of conscience they must change it.

"And if they are going to change it, in what direction are they going to change? THERE IS ONLY ONE CHOICE AS AGAINST PEACE, AND THAT IS WAR."

No other conclusion can be drawn.

What is YOUR conclusion, thoughtful citizen?

In the last analysis, the election will be decided by the farmer vote. And so on the farmer is the responsibility of whether this country shall have peace or war.

The only assurance that the country will not be needlessly plunged into war is for YOU to vote for Woodrow Wilson.

FOR PEACE OR WAR your conscience and your vote must decide.

STILL POND

Mrs. Mary R. Wilson, of Betterton spent Wednesday and Thursday in the home of her friends Mrs. L. E. Birch and Mrs G. L. Morris.

Mr. Edward Dittiman made a business trip to Baltimore on Thursday.

Mrs. William Meek is visiting her daughter, Mrs. John Davis, of Phila.

Mr. H. T. Jones spent the past week in Balto.

Mrs. M. J. Howard is improving her property by having it repaired and painted.

The Harvest Home services in Still Pond Methodist Church proved to be a great success. The church was artistically decorated with grain and fruit, all the crops of the harvest season being represented with displays. Special music was well rendered by the newly organized choir, both in the morning and evening. Dr. B. S. Haywood, of Washington, D. C., in the morning delivered a strong sermon to a large and appreciative congregation. The speaker of the evening, (while Dr. Haywood was pastor for the hour) was the pastor, Rev. R. P. Nichols, whose sermon was an inspiration to people. His words, referring to the exercises of the day, expressed deep feelings of joy and gratitude to his people for their co-operation and enthusiasm in the occasion.

Probably no preacher of the conference was more happy than was Mr. Nichols last Sunday. He insists that a church must be free of the debts of operating expenses in order to have a good revival. By the way, revival services will be inaugurated Sunday night Nov. 5th to continue every night of the coming week.

The collection of the morning will about meet the budget of the church, pastoral support, benevolences, and incidental items, to include the balance of the conference year. Is it surprising that the preacher is happy? The church has entered upon an era of effective social and spiritual work.
