WHY THE PRICE IS SO LOW ON THIS CAR OF QUALITY

If the 6-30 Chalmers were built at the rate of 2000 a year the chances are you might have to pay $1600 or more for one. But more than twelve times that number is made. So that the price becomes only $1090. Quality runs all the way through. It is the quality car at a quantity price. (All prices f.o.b. Detroit)

WASHINGTON COLLEGE LOSES, 13 TO 6

Mount St. Mary's got the jump on Washington here Saturday and scored enough points in the first half to win. The count was 13 to 6

Although both teams used old style football to a great extent and few spectacular plays were made the contest was interesting, especially in the second half. The Mountaineers kicked off and the ball bounded back, Bill Wallace falling on it on the 15-yard line. Washington punted and after the ball changed hands a number of times Mount St. Mary's charged down the field, ripping through Washington's line for consistent gains, and Euker took the ball on a delayed pass and circled an end for 15 yards and the first score. Sheridan failed to kick goal.

In the second quarter Mt. St. Mary's line opened up holes through the tackles, Sheridan and Drury carrying the ball for consistent gains. A long forward pass, Lebherz to Rodgers, resulted in the second touchdown, Rodgers running 20 yards to the goal line. Sheridan kicked goal.

At the beginning of the second half Washington came back with a rush, getting the ball on a punt in mid-field, and made a steady march to the goal line, Brown and Young alternating, with Schelberg making the holes. Brown carried the ball over but failed to kick goal.

Washington again carried the ball down the field, but a bad pass was costly and Mount St. Mary's got the ball on downs. The pigskin seesawed back and forth, with honors even, in the fourth quarter, and the game ended with the ball in the Mountaineers' possession on Washington's 40-yard line. Brown's attempted dropkick from the 45-yard line fell short in the first period, while Sheridan's two attempts also went wide of the mark.

Brown, Young, Frampton and Schelberg starred for Washington, while Euker, Mulhearn and Sheridan played best for Mount St. Mary's. Line-up:

THE COST OF GROWING AN ACRE OF POTATOES

To determine the cost of growing an acre of potatoes, a survey was taken among successful farmers in Steuben County and Oswego County, N. Y. In Steuben County, the cost varied from $36.95 to $48 73 last year. One grower in Oswego County found his cost to be $75 05 per acre. His average yield was 269 bushels which left a net profit of $69.60 per acre. Large variations were found between growers as to the amount of seed used, cost of preparing and planting, amount of fertilizer applied and the yields that were obtained.

In Oswego County more fertilizers were used per acre. In Steuben County from 500 to 1200 pounds per acre was used. The large yields of wheat obtained in Oswego County raised the cost per bushel and made better net profits.

The number of dry states and when each went dry is as follows: Maine, 1851; Kansas, 1880; North Dakota, 1889; Oklahoma, 1907; Georgia, partial, January 1, 1908; complete, January 1, 1916; Tennessee, partial, 1909; complete, 1915; North Carolina, January 1, 1909; West Virginia, July 1, 1914; Alabama, July 1, 1915; Arizona, January 1, 1915; Arkansas, January 1, 1915; Colorado, January 1, 1916; Idaho, January 1, 1916; Iowa, January 1, 1916; Oregon, January 1, 1916; South Carolina, January 1, 1916; Washington, January 1, 1916; Virginia, November 1, 1916.

IF you are a business man, if you are a professional man, if you are employed at a daily wage, make up your mind to deposit weekly a certain sum of money in the bank. You'll be surprised how the sum will grow. Cash in bank gingers up the man who has it there. He has more confidence in himself. The business man is ready for a dull season. He is ready for an opportunity.

So is the professional man. The man who is working for a daily wage and who hasn't any money in bank frequently is fearful of a loss of his situation. He does not work as well or with the confidence in himself as does the man with something laid aside for a rainy day.
