## DISTRESSING RHEUMATISM

How many people, crippled and lame from rheumatism, owe their condition to neglected or incorrect treatment!

It is the exact combination of pure Norwegian Cod Liver Oil with glycerine and hypophosphites as contained in

# SCOTT'S EMULSION

that has made *Scott's* famous for relieving rheumatism when other treatments have utterly failed.

If you are a rheumatism sufferer, or feel its first symptoms, start on *Scott's Emulsion* at once.

IT MAY BE EXACTLY WHAT YOU NEED.
