EXTRA POWER IF YOU WANT IT

Most everybody does in an automobile. Sometimes on a hill. Sometimes in passing the car ahead. Sometimes in mud. Sometimes in sand. Sometimes when you are in a hurry. The 5-passenger 6-30 Chalmers has it plus—extra power. Though rated as 30 it develops well over 45 h. p. The cost for the extra power is nothing.

The quality car at a quantity price—$1090.

ROOSTER WORTH $300

A case of some interest to chicken fanciers tried in the Circuit Court the past week was that of H. H. McCormick, of Charles Town, W. Va, against the Southern Express Company, and a judgment for $300 was obtained. Big Bill, a cornish game rooster, owned by Mr. McCormick, was being transported from Warrenton, Va., to Catonsville, Md., and was smothered, according to the evidence produced. A number of witnesses, some of them expert fanciers, testified as to its value. An ex ju ge of the Supreme Court of Missouri testified the rooster was worth from $800 to $1,000. The express company will carry the case to the Court of Appeals.

IF you are a business man, if you are a professional man, if you are employed at a daily wage, make up your mind to deposit weekly a certain sum of money in the bank. You'll be surprised how the sum will grow. Cash in bank gingers up the man who has it there. He has more confidence in himself. The business man is ready for a dull season. He is ready for an opportunity.

So is the professional man. The man who is working for a daily wage and who hasn't any money in bank frequently is fearful of a loss of his situation. He does not work as well or with the confidence in himself as does the man with something laid aside for a rainy day.
