Clover Seed

Our first shipment of Clover, Alsyke and Timothy for this season arrived this week. We think the seed are as fine as we ever had to offer. The market has been steadily advancing and if the demand continues the price will go still higher. Our prices now are lower than if we had to buy to-day. We think that those who place orders now for future delivery will not regret it, as all indications point to further advances. This year's crop is only 64% of a normal crop, and much seed is being exported, which is making the demand on this country very heavy.

Come in and see the seed, as they are in the sack.

Money Talks

To be sure money talks, especially money that is actively employed. Money that is idle is money asleep, and money doesn't talk in its sleep.

The place for money is in a reliable bank like ours, safe but subject to check. Hoarding money takes it out of circulation, and it is constantly liable to be lost. Money on deposit talks and the things it says to you are "security comfort, satisfaction." We invite you to open an account at the

The growers of Wicomico propose a Peninsula Association of the counties of the Shore in order to assist the farmers in the purchasing of fertilizers, seed, etc. Also to assist the government to arrive at a fair price for their produce.

It is reported that sugar corn will bring $30 per ton.

DEATHS

Mrs. Emory died at her home in Georgetown, this county, Wednesday, Feb. 6th, after a long illness, in her 86th year. She was the daughter of the late George W. and Mrs. S. A. Oldham. Funeral service will be held at St. Andrews Chapel, Galena and interment at St. Stephens Church, Earleville, today, Saturday, at 1 p. m.

Mrs. Eben Chrisfield died in Galena Sunday. Interment was in Galena Cemetery after services held in Olivet M. E. Church Tuesday.

William P. Middleton, aged 67 years, passed away about 11.30 o'clock on Saturday night, February 2, 1918, after a long illness. He was nursed with untiring devotion by his wife, who before marriage was Miss Ella Hersch. He was essentially a home lover and seldom went to visit his children of whom there are four: Mrs. T. Bennett Willson, Mrs. Millard Rodney, Charles Middleton who is in the service of the Baltimore City government, and Mrs. William Roberts, of Baltimore.

He had numerous other relatives and as a neighbor was unsurpassed. He loved vocal music and in one of his last days feeling the end near, requested that his daughter Julia, should sing after his death "He Leadeth Me" and Mrs. Mae Judefind "I Know Not When My Lord Shall Come, at Evening or at Noon." The funeral was held at his late home at 11 a. m. Tuesday, the sermon being by Rev. J. W. Prettyman. Interment was made in Wesley Chapel Cemetery. C. L. Dodd, undertaker.

Mrs. Marian H. Chambers, widow of Samuel T. Chambers, of Kent, died Saturday afternoon, February 2, of infirmities of age, at her home 638 N. Fulton avenue, Baltimore. Surviving her are two daughters, Mrs. George A. Lamb and Miss Ella C. Chambers, of Baltimore; three brothers, Charles R. Brown, of Baltimore, Thomas S. and Samuel W. Brown, two sisters, Mrs. M. C. Stoops and Miss Annie E. Brown, each of Kent county, also survive her. Funeral services took place at her late home Monday afternoon; burial was in Loudon Park Cemetery.

Thomas Jefferson Mark, engineer of the B. and O. railroad, died at his home near Centreville last Tuesday afternon at 5 o'clock, after a lingering illness of a complication of diseases, at the age of 69 years.

Mr. Mark was an engineer of the Baltimore and Ohio Railroad for forty-four years, and resided in Baltimore until two years ago, when he was retired. Shortly after he removed to his farm near Centreville, where he has since made his home.

His wife was Miss Mollie Walters, daughter of the late Capt. and Mrs. J. E. Walters, of this county. She Survives him with two daughters, Mrs. B. F. Hayden and Miss Mary Mark, both of near Centreville.

He also leaves a brother, Mr. Lemuel Mark, and a sister, Mrs. Lizzie McGee, of Baltimore.

The remains of Rev. William A. Cole, beloved Rector of St. Stephen's P. E. Church for sixteen years, until incapaciated by a stroke of paralysis suffered on St. Patrick's Day in 1916, were brought to St. Stephen's Cemetery and laid to rest Monday afternoon, after funeral services had been held in the Chapel in Cecilton.

KENT'S FOOD ADMINISTRATOR

Dr. Jas. W. Cain, Principal of Washington College, has been appointed Food Administrator for Kent county by State Food Administrator Edwin G. Baetger. This is a very important position and with the co-operation of all citizens it can be made to help materially in winning the war.

TRANSPORT SUNK

The first American transport sunk was the Tuscania, which was sent down Tuesday. The loss of life is put at 101 out of 2,397 on the boat at the time.

It is thought that J. I. Davis, a Washington College boy, was on this boat.

NEW ORDER IN REFERENCE TO SALE OF FLOUR

Beginning last Monday morning, January 28th, all retailers, millers, or other dealers are forbidden to sell flour in towns or cities to individual consumers in quantities in excess of one- fourth barrel, in rural communities they are forbidden to sell in quantities in excess of one-half barrel. Wheat flour can be sold to consumers only when the customer also purchases an equal quantity in weight of other cereals, including barley flour, buckwheat flour, corn flour, cornmeal, cornstarch, corn grits, ferterita flour and meals, hominy, oatmeal, potato flour, rice, rice flour, rolled oats soya bean flour, sweet potato flour. This notice supersedes all advertisements of flour sales and such sales will be conducted in accordance wih the terms of this order.

Any attempt to realize an excess profit on flour by charging an extra profit on the other cereals sold with it will be treated as a violation of the order. Such cereals must be sold at the same price as if sold separately.

Jobbers and wholesalers are not allowed to make sales of wheat flour to retailers unless the retailer purchases an equal weight of the above cereals.

HIGH COST IN 1776

Are you complaining of the high cost of living?

Well, Abagail Adams complained of the same thing. Perhaps after you have read the following prices quoted from her letter to her husband, the second President of the United States, you will count yourself lucky, however, to be living now instead of in Abigail's time.

This was Abigail's price list in 1776:

Meat, per pound	$1.00 to $2.00
Corn, per bushel	$25.00
Rye, per bushel	$30.00
Potatoes, per bushel	$10.00
Molasses, per gallon	$12.00
Flour, per cwt	$5.00
Cider, per barrel	$40.00
Cheese, per pound	$2.00
Butterine, per ppund	$3.00

In 1779 sugar rose to $4.00 per pound and tea the same. In 1780 butter sold for $12.00 a pound and tea for $40.00.

Such were the prices in revolutionary times when we were only trying to carry on a war and feed ourselves at the same time.

Now, however, our task is greater, for we must not only fight, and feed ourselves at the same time, but we must furnish most of the food for the Allies, if we are to win this war.

Yet, prices today are considerably lower than those which Abrigail Adams paid in 1776.

KENT ASKED FOR MEN

The Kent County Council of Defense which William W. Beck, Esq., is the Chairman, the other members being H. H. Barroll, John D. Urie and John C. Davis, have received an urgent call for workers in the shipyards.

The purpose is to raise at once a reserve force of 250,000shipyard volunteers. Maryland's quota is 5250. This county's quota is 70.

Men are asked to give their names to local committeemen. These names will be forwarded to Mr. John K. Shaw, chairman in charge of the Labor and Employment Bureau, 26 and 28 Commerce street, Baltimore.

The buttons and certificates of enrollment will be furnished at a latter date. The volunteers will not be given immediate employment but will be called on later. The fact that so much shipbuilding is done in Maryland means that they will not have to go from their homes.

The wages will be high and the government is now working out the housing problems, so that all will be well taken care of. There will be steady employment.

It is not promised that these volunteers will be exempted from the draft but the men in shipyards have been given a deferred classification and the volunteers will have special consideration.

In this critical year the man who helps to build a ship will serve his country as usefully as though he carried a muskrat.

The shipbuilding reserve will be a great honor body of patriotic Amercans.

This country's quota should be made up in a week. Action is needed. Apply at once. If you cannot reach your local committeeman write to John K. Shaw, 26 and 28 Commerce street, Baltimore, Md.

THE Maryland Society of Delaware had a record breaking reunion at Hotel du-Pont, Wilmington, on Thursday. J. Frank Davis and James Shuster, former Chestertown boys, were among the managers of the affair and they did their part well. Messrs. James D. Davis, Jr., J. E. Ireland, Samuel G. Caldwell and J. R. Vansant, of Galena, were among the number present from Kent.

THE fertilizer firm of Massey & Hines has been dissolved, because of the determination of Mr. Hines to enlist in the war service. The business will be continued by Mr. Massey.
