SATURDAY, MARCH 2, 1918

If you honor and love mighty Liberty's cause,
If you're worthy the country that bore you,
You won't waste your time shouting what will you do,
But will quietly do what's before you.

The Thrift Stamp campaign in Kent is being conducted by Howard Turner who was named by the State authorities. Our quota in $400,000 or $20 for each citizen. It can be raised if each will do his part. Let's do it. Every bank, store, office and home join in the movement.

Mrs. W. W. Hubbard is chairman for the women.

One of the important meetings to be held at Annapolis this session will be next Wednesday, March 6th. Chestertown, Rock Hall, Still Pond and other towns should send enthusiastic representatives to the meeting. The State Roads Commission have recommended to the Legislature to appropriate $670,000 to connect up the roads that are not built through incorporated towns. The State Roads Commission, F. H. Zouck, Chairman, and H. G. Shirley, Chief Engineer have been asked to appear before the Finance Committee of the Senate and the Ways and Means Committee of the House, on Wednesday, March 6th, at ten o'clock a. m. Unless immediate action is taken and some enthusiasm aroused for road building and for maintainance of roads, we may lose our present position and reputation for caring for Maryland's highways. Be present on time.

Big Ben

the clock you've read so much about in the magazines, arrived in my store yesterday with 23 brothers.

They're the finest alarm clocks I've ever laid eyes on. They're built right and right from the ground up. I'm a practical clock man and I know.

They'll be in my window for the rest of the week and I wish you'd come in and look them over.

Avery's—The Tractors That Burn ALL the Kerosene

You want a tractor that burns Kerosene. You don't need to burn high priced gasoline in Avery Tractors, for they are genuine Kerosene burners.

Avery Tractors are the only make of tractors equipped with a double Carburetor and Duplex Gasifier Fuel System, and the only make of tractors that really burn *All* the kerosene.

One Avery owner recently said: "Our engine runs as smoothly on kerosene as on gasoline. We haven't had a bit of trouble with it." Another Avery owner said: There are eleven gas and oil tractors in our county. None of them handle kerosene as well as the Avery." Avery Tractor Owners all over the country are saying the same thing—they have proved by experience that Avery Traotors burn *all* the Kerosene.

Let us demonstrate to you how Avery Tractors do this.
