Protecting Your Children

The long, hard school term drains the vitality of growing children and you wonder why they are listless, puny and pale.

Every school child will show marked improvement in health and growth if given

SCOTT'S EMULSION

Its rich, uniform cod liver oil gets into their blood and gives them vim, snap and zest. It creates strength to resist school sicknesses, overcome pinched faces, sallow complexions and dull eyes. High authorities have established again and again that cod liver oil promotes growth and energizes the body and brain.

The imported Norwegian cod liver oil always used in *Scott's Emulsion* is now refined in our own American laboratories which guarantees it free from impurities.
