CHOPTANK COOPERATIVE TO MEET MONDAY

The Choptank Electric Cooperative, Inc., will hold its seventh annual members meeting on Monday, March 5, 1945, at 1:00 P.M. in the Dentonia Theatre, Denton, Maryland.

Mr. George Rietz, Manager of the Farm Industry Division of the General Electric Company will address the meeting. A large attendance is expected to hear Mr. Rietz and to elect seven directors for the ensuing year. Reports from the President, Secretary - Treasurer, and Supreintendent, will be part of the program.

The whole program is designed to give all members an opportunity to participate fully in the business affairs of their Cooperative. Under the Cooperative form of organization the user-members control and own this rural electric service. Every member should attend this meeting as full knowledge of its management and operation is essential.

This is an open meeting. The public is welcome.

The Cooperative now operates approximately 1300 miles of rural electric lines in Cecil, Kent, Queen Anne's, Talbot, Caroline, Dorchester, and Worcester counties.

So glad you're back... Have a Coca-Cola

... or offering a soldier the comforts of home

HOME! There's no place like it. And nobody knows it better than a fighting man back on furlough. Ice-cold Coca-Cola is one of the comforts of home everybody welcomes. That's why frosty bottles of Coke belong in your home refrigerator. At the words *Have a Coke,* refreshment joins the party to make it gayer, brighter. The good old American custom of *the pause that refreshes* is spreading in many lands around the globe,—a symbol of our friendly home-ways.

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called Coke.

FORD
"6" OR "8"

IN THESE UNUSUAL TIMES we invite you to inspect an unusual new car—new in its beauty, its comfort, its choice of two fine 90 horsepower engines, 6 cylinders or 8.

See it and you sense at once that here is new style that will *stay* good for years. On a lower, wider chassis, we have designed new long, low, wide and modern lines.

Interior treatment is entirely fresh, distinctive, pleasing. The beauty of this Ford will more than hold its own in any company.

Inside, the car is *big*—wide across the seats, generous in knee-room, leg-room, elbow-room.

On the road this year you find the "new Ford ride" still further advanced in its softness, quietness, steadiness and all-round comfort.

At the wheel, you will find driving easier than ever. Steering, gear-shifting, action of the big and sure hydraulic brakes have all been made smoother and easier.

In quality, the car is sound to the last detail. Defense requirements have all been met without a single reduction in the basic and lasting goodness of the Ford mechanically. Some new materials have replaced old ones usually at a greater cost to us, *but in every case the new is equal to or better than the old.*

If your family needs a new car, go see and drive this Ford. *For what it is today and for what it will be through the years ahead, we believe that you will find in it more and better transportation for your money than you have ever found before.*
