NEWSY TIDINGS FROM OUR BOYS

The "News" Will Be Glad To Mention Any Items of Interest You May Send About Your Soldier Lad

The following interesting letter is from W. Norris Stevens, Observer of the U. S. Naval Station Forces, Fromentine, Vendu, France. He is the son of Mrs. S. R. Stevens, of Rock Hall:

Sunday, July 21, 1918.

Dear Mother:

I am now settled in new station and like it very well, glad to be out of schools and will soon be on real work.

I haven't received any mail for quite a while but there must be some at Montchic and perhaps it will forward soon.

We are located on an island and can see nothing to the West of us but water. I am in hopes we are soon sailing back across that pond.

The Allies are sure putting up a fight now, and if they continue the good work the end of this great conflict will soon be in sight.

The Americans are sure going over the top and are all the talk here. I suppose you read account of what they did several days ago (about the 18th.)

"Gee" it sure is a hard job to write without writing anything pertaining to military affairs, but I think all of my letters have passed censor, have you ever noticed any part of my letters being cut out.

Do you realize that you and I have a birthday this week (Tuesday and Wednesday) and you are still (35). "Ha, Ha."

I am unable to purchase anything in these parts not even a birthday card, so will let this letter be the gift.

I wish you a happy birthday with many more to follow and may God bring us together on our next one.

"I am like you" I am not going to have any more birthdays for awhile as I am old enough (25). With love and kisses to all at home.
