VOL. 79. CHESTERTOWN, MARYLAND, JANUARY 25, 1919 NO. 36

Hello! Kent Co. Savings Bank

"When can I get a statement of my account, including today's deposits?"

"Your statement will be ready in ten minutes."

This is real, up-to-the-minute bank service—giving the customer the thing he the time he needs it.

This is the kind of service we are now prepared to give to you.

We have recently installed a Burroughs Bookkeeping Machine which handles our accounting work and keeps a statement of each customer's account ready all the time, with entries made right up to date.

Any time you want a statement of your balance in a hurry, it is ready for you.

Instead of leaving your pass book for a week or longer in order to have it balanced, you get a neatly printed statement showing all checks and deposits and a balance you *know* is right. Every checking account will receive these statements, together with the canceled vouchers.

The Burroughs will also post our ledgers, giving us neatly kept and accurate accounts providing an absolute and automatic proof of the accuracy of every entry on our statements and ledgers.

We are sure that the improvement in our service made possible by the machine bookkeeping method will meet with your approval, and that you will appreciate the convenience and protection against error afforded by the mechanically figured statements.

SHUSTER AND DAVIS HAVE BIG FIRE

Morning News. P. & Q. Shop And Delaware Hotel In Wilmington Damaged By Fire Sunday Morning.

Fire, which entirely destroyed the equipment of the Wilmington Morning News, swept through the company's four-story building at 511 Market street, occupied by the newspaper and Postal Telegraph Company, early Sunday morning, entailing a loss amounting to thousands of dollars which has not yet been fully reckoned.

The origin of the fire is undetermined, but it is believed to have started in the telegraph room in the rear of the third floor. The blaze was discovered by Miss Mary D. Nurnberg, night chief operator of the Diamond State Telephone Company, at Sixth and Shipley streets, who saw the flames issuing from the third floor as she glanced from a window in the wash-room about 5.30 o'clock in the morning.

She notified the police and fire companies by telephone, and about the same time an alarm was turned in by a man named Poppy.

The flames spread rapidly from the third floor to other parts of the building and a short time later one of the huge heavy linotype machines on the fourth floor sunk through the floor and went crashing down into the basement.

After working desperately to save the News Building the firemen eventually realized that it was doomed and began strenuous efforts to save the adjoining properties and prevented the loss of the entire block.

The Postal Telegraph Co., which occupied part of the first floor of the building, sustained a loss estimated at $1,000, and the P. & Q. clothing store, managed by James H. Shuster and J. Frank Davis, adjoining the News building, was damaged to the extent of several thousand dollars, principally by water.

The Morning News will continue to be published without interruption, being gotten out through the courtesy of the Evening Journal.

Clover Seed

We have Red Clover that is the finest quality money can buy. No second grade carried in stock. Market continues strong, and we are making our prices only slightly higher than the city markets. The early lots of seed are always brighter and better than lots which come in during the rush of the season. We shall be glad to have you look at our seed and we will quote prices in keeping with the market conditions.

ALSYKE

This is lower in price this year than Red Clover. We have as fine a lot of Fancy Alsyke as one would wish to see.

TIMOTHY
RED TOP
ALFALFA

These are all about normal in price, there being but little change over last season. The very best of Alfalfa will be scarce later, and with the idea of getting the very highest grade, both in *germination* as well as purity, we advise you to look at sample and place your order now.

ORCHARD GRASS—We have about 100 bushels unsold. If you think of planting better buy quick.
