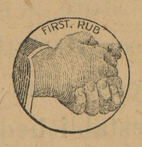
"Your Nose Knows"

All smoking tobaccos use some flavoring. The Encyclopaedia Britannica says about the manufacture of smoking tobacco, ". . . on the Continent and in America certain 'sauces' are employed . . . the use of the 'sauces' is to improve the flavour and burning qualities of the leaves."

Tuxedo uses *chocolate*—the purest, most wholesome and delicious of all flavorings! Everybody likes chocolate—we all know that chocolate added to anything as a flavoring always makes that thing still more enjoyable. That is why a dash of *chocolate*, added to the most carefully selected and properly aged burley tobacco, makes Tuxedo more enjoyable—

"Your Nose Knows"



Try This Test: Rub a little Tuxedo briskly in the palm of your hand to bring out its full aroma. Then smell it deep—its delicious, *pure fragrance* will convince you. Try this test with any other tobacco and we will let Tuxedo stand or fall on your judgment—

GEORGE V. PEVERLY'S HOME ROBBED

Accused of the theft of between $36,000 and $40,000 worth of securities, from the office of George V. Peverly, lumber merchant, of Middletown, Del., Saturday afternoon, about 5.30 o'clock, Raymond Ellis, 14 years old a youthful stranger, was committed, by Magistrate D. W. Stevens, to the Ferris Industrial School, at Wilmington. The securities the boy took were recovered.

The boy, whose home is in Foxboro, Mass., came with his mother, who was on her way to Millington, Md., having obtained employment in a mill there.

The boy left his mother at the railroad station, and said that, in walking about the town, he met a negro of 19, who induced him to enter the office of Mr. Peverly, after havingfound a rear window open. After having thoroughly ransacked the office and the safe, which was unlocked the boy said, they made a detour of the town and boarded a southbound freight.

The negro, according to Ellis, took more than $100,000 in securities, and bragged of having recently robbed a store in Boston, from where he was working his way to his home in Virginia. He was armed with a .32-calibre automatic pistol and wore a khaki army blouse under his gray coat, the boy said.

Among the plunder found on Ellis were certificates for 750 shares of Pennsylvania railroad stock, many checks, notes and bonds.

As soon as the robbery was discovered the police got busy and Ellis was arrested by Officer Fitzgerald of the railroad police, who found the plunder in the lad's pockets. The youthful prisoner was turned over to the town authorities, who took charge of him until he was arraigned before Magistrate Stevens.

The magistrate doubted the boys story about the negro accomplice, and while he believes all of the plunder taken was found on the boy, when inquiry was made at Mr. Peverly's office the person there said an inventory had not been taken.

LET GERMANY CALL OFF HER DOGS

The German Government wants peace and wants it badly.

As one means to this end we suggest that the German Government and German interests refuse to finance efforts to overthrow the Government or the Constitution of the United States.

If the Germans intend to continue their assaults upon American liberties, American law, and American order, they cannot but expect the continuance of hostile feeling on the part of the American people.

In New York City at the present moment buttons bearing the legands, "No Beer, No Work," and "No Beer, No Bonds," are being distributed among ignorant and malicious people for the purpose of exciting rebellion against the United States government and the Constitution.

This propaganda does not propose to change the Constitution by the orderly processes of law, it proposes to resist Constitutional processes by violence. It is proposed revolution and that in the name of Bolshevistic anarchy and a German trade.

It started in Newark, N. J., the home of the President of the United States Brewers' Association.

It is being promoted by one Ernest Boehm, long since a tool of the United States Brewers' Association, used to disrupt industries in the interest of that organization. Still worse, Bohem was Treasurer of the Labor Peace Council, an instrument of the German Government in America.

It is time that the Congress of the United States took this thing by the throat. Bohem should be compelled to come to Washington and disclose the source of the funds now being used to prepare rebellion against the government. Do these funds come from the United States Brewers' Association, from the German Government, or from the treasury of the Bolshevist propaganda in America?

CHAUTAUQUA PROGRAM

Chestertown Will Have Many Splendid Features This Year.

Dr. W. H. Bohn, a Chautauqua superintendent was in Easton on Wednesday and said Dr. Pierson was now in Europe looking for several very prominent English speakers to tell of the war. The program will likely be as follows:

First Day—Modeglia, the famous accordian player, with a violinist and singer, and Chancelor Bradford, of the Oklahoma University, as lecturer.

Second Day—The Doughboys Quartette, consisiting of American heroes who have been abroad, and Ross Crane, the cartoonist, who was in Chestertown several years ago.

Third Day—Professor Chamberlaine, who will tell of the war, and the play "Poly of the Circus."

Fourth Day—The Revue Company in comic opera and dances. Dr. Thomas Green will be the lecturer.

Fifth Day—The Brooks Opera Company in "Robin Hood," and a lecturer to be announced.

Sixth Day—The Hawaiian Concert Company in some of the famous musical selections of that country. The lecturer will be one of those for whom Dr. Pierson is now in Europe for.
