Nice job, in either red or green gear, at $50.00.
A better job at $70.00.

Dearborns

For the first time in 2 years we have been able to get ahead a small stock of Dearborns.

Our Dearborn is better than it has ever been, it has a fine Sarven wheel which is the part of a dearborn that has the hardest wear. If you have an old Dearborn you wish to trade in bring it along.

Wagons

Our Wagons need no introduction to you. We are using now the Staggerd spoke wheel, and if you could hear all the favorable comments you would decide that your next Wagon would be one of these. We have a few of these Wagons now ready for delivery.
