IT'S NOT YOUR HEART IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. A majority of the ills afflicting people today can be traced back to kidney trouble.

The kidneys are the most important organs of the body. They are the strainers, the purifiers, of your blood.

Kidney disease is usually indicated by weariness, sleeplessness, nervousness, despondency, backache, stomach trouble, pain in loins and lower abdomen, gall stones, gravel, rheumatism, sciatica and lumbago.

All these derangements are nature's signals to warn you that the kidneys need help. You should use GOLD MEDAL Haarlem Oil Capsules immediately. The soothing, healing oil stimulates the kidneys, relieves inflammations and destroys the germs which have caused it. Do not wait until tomorrow. Go to your druggist today and insist on GOLD MEDAL Haarlem Oil Capsules. In twenty-four hours you should feel health and vigor returning and will bless the day you first heard of GOLD MEDAL Haarlem Oil.

After you feel that you have cured yourself, continue to take one or two capsules each day, so as to keep in first-class condition and ward off the danger of other attacks.

Ask for the original imported GOLD MEDAL brand. Three sizes. Money refunded if they do not help you.

Ford

THE UNIVERSAL CAR

Ford cars are important servants everywhere. They help the family enjoy life, bring the pleasures and advantages of the town within reach of the farmer and give practical service every day in country and town. They require a minimum of attention; any one can run a Ford and care for it, but it is better to have repairs and replacements taken care of by those who are familiar with the work and have the tools, the genuine materials, and skilled men to do the work promptly. We pledge Ford owners the reliable Ford service with real Ford parts and standard Ford prices.

Velvet

THE FRIENDLY TOBACCO

THERE may be some things that can be done well in a hurry, but pickin' a wife an' agein' a tobacco ain't amongst 'em.

Velvet Joe.

We put away millions of pounds of fine Kentucky Burley tobacco every year, stored in wooden hogsheads. It ripens two years. When we take it out it's *different*—Nature has improved it, good as it was—made it *friendlier,* more fragrant, cool-smoking, long-burning.

Nature has given it a *delicious* quality of mildness and fragrance that no artificial means can ever equal.

It's just that *extra* touch of friendly goodness that is building up VELVET Tobacco into the favor and good will of thousands of pipe smokers who prefer to smoke tobacco cured in Nature's way.

You would notice the difference.

Roll a VELVET Cigarette

VELVET'S nature-aged mildness and smoothness make it just right for cigarettes.

A TWO-FOLD DUTY

Many thoughtful mothers first give their children

Scott's Emulsion

regularly—and then *take it themselves.* It is a tonic-food that contains elements as needful to an adult as to a child. *Build up your strength—try Scott's.*

Scott & Bowne, Bloomfield, N. J. 19-4

THREE WOMEN FLY OVER CITY

The following is from the Baltimore Sun of two weeks ago and records the exploit of a former Kent county lady, Mrs. Wm. S. Gardner, nee Miss Maslin, daughter of Mrs. J. Carvil Maslin, of Chestertown:

"Baltimore has three women pioneers in the matter of flying and they made the first trip over this city ever made by any of their sex yesterday in connection with the Victory Loan campaign. They are Mrs. W. T. Willey, wife of Dr. Willey, Guilford; Mrs. William S. Garner, wife of Dr. Gardner, 6 West Preston street, and Miss Geneieve R. Moore, 4 Hillside road, Roland Park.

"Mrs. Gardner was the only one of the three who could be communicated with last night, but she said that Mrs. Willey and Miss Moore and herself are the three happiest women in Baltimore. Each had wanted to make a trip in an airplane, each is patriotic and when they learned that a flight could be had for purchasing a sizable bond they never faltered.

"It was simply hilarious," said Mrs. Gardner last night refering to the flight. "I had no fear at any time and the thing that impressed me most was the almost total lack of motion. Although I could see buildings and streets flitting past beneath me and knew from what Pilot W. P. Oaks had told me that we would travel at the rate of 95 miles an hour, I could not realize that we were moving rapidly. We were 2,000 feet high and no one knows how pleasant it was. A steamboat looked like a minitaure boat, crawling along and I could see countless little black dots moving along, which I knew to be people. Even when we started to descend I had no sensation of fear. The ground seemed to come right up and meet us we came down so rapidly."

Frank Kline, of Baltimore, who has succeeded J. M. Blaustein at Rock Hall, comes to the people of that town well recommended as a progressive and up-to-date merchant. He will make his announcement to the public in this paper shortly.

KENNEDYVILLE

Charles Glenn, of Baltimore, has been visiting his brother, Geo. Glenn.

Miss Eva C. Jewell spent last week home with her parents.

We see by the papers where some of the Kent boys will land in New York. Welcome home boys.

Delman Nickerson, of Wilmington, spent the week-end with James Nickerson.

John and Paul Dukes spent week-end home.

Children's Day first Sunday in June at 8 p. m.

Mr. and Mrs. Geo. Bennett, of Lancaster, Pa., Mrs. Henry Harris and daughter, of Puebla, Col., have been visiting Mrs. Cleaver and daughter.

Quite a few from here went to Queenstown Monday to see a game of ball. A very good game, twelve inning, the score being 5 to 1 in favor of Kennedyville.

Harry Redmile had an accident on Sunday while out motoring. He ran into another car, damaging both of the cars.

M. P. CAMPAIGN IS OVER $200,000 MARK

As a result of the special appeal made from the 300 or more Methodist Protestant Churches on Sunday in the Maryland Conference District, in the interest of the million-dollar campaign of that denomination, more than $50,000 was reported at the local headquarters yesterday, bringing the total amount secured in the first week of the drive up to slightly over the $200,000 mark. In view of the fact that less than 100 of the churches have thus far reported their full quotas and that all of them expect to raise their full quotas, there is no doubt but the $250,000 goal of the drive will be reached when the campaign comes to a close.

Among the churches which reported Sunday and the amounts they have secured were: North Baltimore, $10,459; Alnutt Memorial, $5,753; Broadway, $1,460; Christ Church, $4,410; East Baltimore, $1,800; Eutaw, $2,087; St. John's, $9,000; St. Paul, $1,849; West Baltimore, $5,010; Wilton Heights, $2,072; Baltimore Circuit, $1,800; these are all Baltimore churches. From the state were: Salem, 994; Salisbury, $6,000; Westminster, $4,850; Chestertown, $5,027; Easton, $3,000; First Church, Newark $8,575; Libson, Howard county, $2,500, and Pocomoke City, $3,275.

W. Frazier Russell, Jr., Esq., has returned to Chestertown from the south and will make his home here. Mr. Russell was one of the first to enlist when the country needed men. He spent several months in France. Mr. Russell's wife and child, who are at present in Birmingham, Ala., will come to Chestertown next month.

RUMFORD

THE OLD RELIABLE

YEAST POWDER

For purity, digestibility and that fine even texture and delicacy of home baking, for which all good cooks are praised, use Rumford. Always of uniform strength and means household economy.
