JOY TO THE AFFLICTED!

It cures Nervousness and Debilitated Sufferers more speedily than any other remedy known, and will be found superior to all the Sympotoms Among which will be found

Indisposition to Exertion, Loss of Power, Loss of Memory, Difficulty of Breathing, General Weakness, Horror of Disease, Weak Nerves, Trembling, Dreadful Horror of Death, Night Sweats, Cold Feet, Wakefulness, Dimness of Vision, Languor, Universal Lassitude, &c. When the System, Often Enormous Appetite, with Dyspeptic Symptoms, Hot Hands, Flushing of the Body, Dryness of the Skin, Pallid Countenance and Eruptions on the Face, Pain in the Back, Heaviness of the Eyelids, Frequently Black Spots Flying before the Eyes, with Temporary Suffusion and Loss of Sight, Want of Attention, Great Mobility, Restlessness, with Horror of Society. Nothing is more Desirable to such patient than Solitude and Nothing they more Dread for Fear of Themselves; no Repose of Manner, no Earnestness, no Speculation but a Hurried Transition from one question to another.

These symptoms, if allowed to go on—which the medicine invariably removes—soon follow *Loss Power, Fatality and Epileptic Fits*—in one of which the patient may expire. Who can say that these exercises are not frequently followed by those painful diseases—*Insanity and Consumption*? The Annals of the *Insane Asylums*, and the melancholy *Victims of Consumption*, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy instances appear. The countenance is sequid, sodden and quite destitute—neither Mirth of Grief ever visited. Should a sound of the voice occur, it is rarely articulate.

"With woeful measures was despair,
Low sullen sounds his grief beguiled."

Debility is most terrible! and has brought thousands upon thousands to untimely graves, thus blasting the ambition of many noble youths. It can be cured by the use of the

INFALLIBLE REMEDY.

If you are suffering with any of the above diseases, or any of the symptoms attending almost the *Fluid Extract Buchu* will cure you. Try it and be convinced of its efficacy.

Beware of Quack Nostrums and Quack Doctors, who falsely boast of abilities and references. Cut them kind and avoid them, and save Long Suffering, Money, and Exposure, by sending for a pamphlet of this Popular and *Specific Remedy*.

It is Mild in its operation, and information is perfectly pleasant in its taste and odor, but immediate in its action.

Helmbold's Extract Buchu

Is prepared directly according to the Rules of PHARMACY AND CHEMISTRY, with the greatest accuracy and Chemical knowledge and care devoted in its combination. See Professor *Dewees'* Valuable Works on the Practice of Physic and most of the late Standard Works of Medicine.

$100

One hundred Dollars will be paid to any Physician who can prove that the Medicine ever injured a patient: and the testimony of thousands can be produced to prove that it does great good. Cases of from one week to fifteen years standing have been effected. The mass of *Voluntary Testimonyin* possession of the Proprietor, vouching its virtues and curative powers, is immense, embracing names well known in *Science and Fame*.

Dr. R. R. BOOTH,

Office 3d door from the City Hotel, on Main Street, Westminster.

DR. BOOTH begs leave to inform the Public that he can be found at all times at his Office, as above. He feels assured that his long practice in this City, with a large number of patients, and the great variety of difficult cases that he has treated successfully, will enable him to surmount any difficulty, scientific or otherwise, relating to the teeth, or mouth. His own experience confirming the opinion of many men eminent in the Profession, has led him long since to discard all Mercurial preparations for filling teeth; also, all Enamel, Gutta Percha, India Rubber and Cements and continuous Gum Teeth. Porcelain, mounted on Gold plate, is the only reliable substance that can be worn in the mouth, as was most conclusively shown at the Dental Convention in 1857. I hope and flatter myself that a discriminating Public will continue their patronage as usual, and will call before going elsewhere. All work warranted, and perfect fits guaranteed. Aug. 27,—tf.

D.R MORSE'S INDIAN ROOT PILLS.

MORSE'S INDIAN ROOT PILLS.—

CAUTION.

Merchants and Traders will be on their guard and not be imposed upon by a Counterfeit of Morse's Indian Root Pills, signed *A. B. Moore*. All genuine Indian Root Pills have the name and signature of *A. J. White & Co.*, on each box.

DR. MORSE, the Inventor of MORSE'S INDIAN ROOT PILLS, has spent the greater part of his life in traveling; having visited Europe, Asia and Africa, as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health and life depended upon this vital fluid.

DR. MORSE, the inventor of MORSE'S INDIAN ROOT PILLS, has spent the greater part of his life in traveling, having visited Europe, Asia and Africa, and North America—has spent three years among the Indians of our Western country—it was in this way the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from the IMPURITY OF THE BLOOD—that our strength, health and life depended upon this vital fluid.

When the various passages become clogged and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and ill cased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become clogged and cease to act, and then our light of life will be forever blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliff in Nature's Garden, for the health and recovery of diseased man. One of these roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption with us. The second is a gent which is an Expectorant, that opens and unclogs the passage to the lungs, and thus, in a soothing manner, relieves the injury by throwing out phlegm and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and public strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out hurriedly by the urinary or water passage, all which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood, the coarser particles of impurity which cannot pass by the other outlets, are thus taken out and carried off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills at once enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body which is the blood, becomes perfectly healthy, consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matters is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within the cold embrace of death, now stand ready to testify that they would have been numbered with the dead, had it not been for this great wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witness
