Joy to the Afflicted!!

It cures Nervous and Debilitated Sufferers, and removes all the symptoms, among which are found

Indisposition to Exertion, Loss of Power, Loss of Memory, Difficulty of Breathing, Horrid Weakness, Horror of Disease, Weak Nerves, Trembling, Dreadful Horror of Death, Night Sweats, Cold Feet, Wakefulness, Dimness of Vision, Languor, Universal Lassitude of the Muscular System, Often Enormous Appetite, with Dyspeptic Symptoms, Hot Hands, Flushing of the Body, Dryness of the Skin, Pallid Countenance and Eruptions on the Face, Pain in the Back, Heaviness of the Eyelids, and frequently black specks flying before the Eyes,

with Temporary Suffusion and Loss of Sight; Want of Attention, Great Restlessness, with Horror of Society. Nothing is more desirable to such Patients than Solitude, and nothing they more Dread for fear of themselves; no Repose of Manner, no Earnestness, no Speculation, but a Hurried Transition from one question to another.

These symptoms, if allowed to go on—which this medicine invariably removes—soon follows LOSS OF POWER, FATUITY, and EPILEPTIC FITS—in one of which the patient may expire. Who can say that these excesses are not frequently followed by these direful diseases—INSANITY AND CONSUMPTION? The records of the INSANE ASYLUMS, and the melancholy deaths by CONSUMPTION, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears. The countenance is actually sunken and quite distinct—neither Mirth or Grief ever visits it. Should a sound of the voice occur, it is merely articulate.

With woeful measures wan despair Low sullen sounds his grief beguiled.

Inability is most terrible! and has brought thousands upon thousands to untimely graves, thus blasting the ambition of many noble youths. It can be cured by the use of this

Infallible Remedy.

If you are sufferer with any of the above distressing ailments, the FLUID EXTRACT BUCHU will cure you. Try it and be convinced of its efficacy.

BETTER TO PREVENT THAN TO CURE.

W. E. SHRIVER,

IS still manufacturing his celebrated Cough Syrup, for the speedy and effectual cure of Coughs, Colds, and Croup, and all those incipient cases of Lung and Bronchial difficulties that tend to Consumption in its developed form. He does not pretend that it will cure deep-seated ulcers in the Lungs, nor restore a half destroyed lung, but in the beginning of the disease it will allay inflammation, soothe the nerves, cure the cough, and stay the progress of disease. In hundreds of cases, one or two Bottles has cured cases of month's standing, when all hope had fled. What has been done can be done again.

W. E. SHRINER—*Dear Sir*:—During my residence in Clearspring, I was in the habit of using your preparations in my practice,—I then formed so high an opinion of them that I wish to have them to use among my patients here. With this view I have requested Jonathan Casler, to accept an Agency, and would like you to establish one here.

Yours truly,

GOOD NEWS AT LAST!
LET THE AFFLICTED READ!

And learn that a perfect and radical cure is warranted and guaranteed to all who are afflicted with weakness, debility, nervous complaints, melancholy thoughts, depression of spirits, distress and anguish of mind, loss of sleep, loss of memory, loss of energy and muscular power, puny growth, wasting away, and a want of confidence in themselves, fainting fits, convulsive trumblings, impotence and disgust of life. Some physician requires to be told the nature of your disease—the ENGLISH BOTANIC PHYSICIAN does not. His perfect knowledge of the human system enables him to describe the disease without any information from the patient, to explain its original cause, and to guarantee its cure. And, what is more valuable still, he will honestly and frankly tell whether you can be cured or not, thus saving you trouble, expense and disappointment. His examinations are made without any information from the patient; therefore he thoroughly understands their Physical condition and Personal development, without which he never could have performed so many astonishing cures. It should be remembered that the Botanical Physician performs cures thought impossible."—*Medical Journal.*

Let skeptics, and more especially those who have tried others and got no relief, let them read the following facts, and judge for themselves, of the good effects of the Botanic Physician's New Remedies. As all his correspondence is strictly private and confidential, honor prevents from giving names.

YOUNG MEN, READ THIS!

"I am now twenty-five years of age; I have suffered from the following symptoms since I was seventeen years old; I employed every means I consulted a number of medical men, and spent a little fortune for medical treatment, and got no relief, until I tried the Botanic Physician. Under his treatment, I was restored to perfect health, both mentally and physically. The following were the symptoms I felt:—At the age of seventeen, palpitations of the heart came on, and which were afterwards induced on the slightest exertion or excitement; periodical headaches, noise and buzzing through the ears; imperfect vision, objects like falling stars annoying the sight; temporary attacks of squinting; pimples and blotches on the face; a shrivelled state of the frame, with constant cold feet and hands; loss of memory; incapacity to turn the attention to any one subject; frequent fits of abstraction; total inability to study; dislike to society; attacks of despondency, melancholy, involuntary shedding of tears; haste and flushes on the face on the slightest occasion, and thoughts of suicide; difficulty of breathing on the least extra walking, running or going up stairs, or up a hill. The stomach was constantly out of order; the appetite became capricious; sometimes it increased, and at other times nearly absent; fanciful tastes and a longing for strange food. A train of dyspeptic symptoms set in, such as flatulence, constipation and looseness; extreme heaviness and torpor after eating; great thirst, restless nights, frightful dreams, cough, night sweats, fetid breath, decay of teeth, constantly furred tongue. The chief symptoms of which, in addition to the preceding, were pain and debility in the back and loins, creeping and shivering sensation down the spine, as though ants were traversing that column. I was engaged to be married, but dared not, for fear my infirmity might be known. I was afraid to look any one in the face with a dread lest my infirmity should be suspected or discovered; a wasting away followed, and my friends thought I was consumptive; my complexion became sallow, my eyesight dim; I had a downcast and an abashed look; I was unable to stand the gaze of other people; I would blush when spoken to; my forehead and face became blotched and pimpled; a loss of flesh followed, and a great mental imbecility to everything but seclusion; appearances of rupture began to show themselves. I began to pine away; for seven years I suffered in this manner, and kept the secret in my own bosom; and I believe I should have taken the secret to an early grave, had I not consulted the Botanic Physician. I write these facts for the sake of suffering humanity, hoping they will save some of my fellow-creatures from a life of suffering and a premature grave. Yours, truly, &c.,

When the above gentleman called on me, he had no hopes of a cure; all he expected was a little relief. I first made a Physiological and an Anatomical examination of him. Having satisfied myself that he had no chronic disease about him, I told him at once that I could cure him; but he had suffered so much disappointment in the other remedies he had tried, that he even doubted mine; however, I made the necessary Mathematical and Astronomical calculations; and having by these means ascertained what herbs, under planetary influence, were best adapted to his case, the cure was very soon accomplished. He soon recovered all his mental and physical energies; in short, he became a man again; and shortly after married, and I need not say became a happy man

AFFLICTED, READ,

And hear what others have said of him and his practice:

"This eminent English Botanic Physician has really performed some of the most astonishing cures on record, in the cure of many other country, by his simple, innocent, but certain New Remedies.

"Every Man, Woman and Child, whether Father, Husband or Son; all Ladies, whether Young or Old, whether a School Girl or Matron, whether Mother, Wife or Daughter, whether Married or Single; all should consult the English Botanic Physician, if they wish to be permanently and radically cured."

"Let no young man suffer the SACRED OBLIGATIONS OF MARRIED LIFE, without first consulting this eminent English Botanic Physician. He has cured hundreds of cases which have been pronounced incurable; and thousands have been radically cured by him, and the parties are now married and happy. Every one, especially young persons and those contemplating marriage, should consult him. He will describe your disease and the parts affected. He will describe the feelings of all your sufferings and infirmities. He will tell all the symptoms you have experienced, and all the symptoms you will experience, and the result of all these symptoms on your health and constitution. He will tell you how long you have been afflicted. He will also tell you how and when you contracted your disease, whether Gonorrhœa, Sexe Vomica, Opium, or any other poisons; no Mercury, nor any deadly mineral—nothing but purely vegetable applications are prescribed by this wonderful Medical Botanist. We advise every one to consult the English Botanic Physician, and judge for themselves.—*Medical Journal.*

LADIES, READ THIS!

"I have been married ten years; I never had any children; it cannot discontentment in my husband; we both were anxious to have children; and I tried several things to remove my barrenness, but they had no effect. About three years ago, I called on the Botanic Physician; I took his Remedies, and am now blessed with two children. My health is much improved, and my husband is more contented and happy. Believe me, yours, &c.,

ANOTHER FOR THE LADIES!

"Eleven months after I was married, I gave birth to a daughter, but my sufferings were so great that the Faculty despaired of my recovery. This made me dread the thoughts of having any more children. I tried everything to prevent a repetition of my sufferings, but without succeeding. Two years after marriage, I was again confined, but my sufferings were so great that the child died. I was told by my Physician that if I had any more children, he feared my life would be endangered. I tried the BOTANIC PHYSICIAN'S **Preventive to Have Children.** His Remedies had the desired effect; they not only prevented me from having children, but they also improved my health. *To the pure, all things are pure.* Yours, sincerely, &c.,

LADIES

Whose delicate health makes it desirable not to have children, consult him. All those who are childless, and wish to have children, consult him. All Ladies consult him in the most delicate cases, with implicit and perfect confidence.

TO THE MARRIED LADIES, whose health will not admit of an increase of family, his Remedy is invaluable, as it can be successfully used as **A PREVENTIVE Against Having any Children.** If you have tried others, and got no relief—if you wish to enjoy good health and long life—if you are wise, you will go and consult the ENGLISH BOTANIC PHYSICIAN, at his private residence, No. 1326 LOMBARD STREET, PHILADELPHIA.

All interviews are strictly private and confidential. Thousands can testify to his honorable, fatherly and gentlemanly conduct; his standing and experience of half a century prove, beyond all contradiction, that they can confide all their little troubles and secrets to him as a father, a man of moral rectitude, and a man of honor and high sense of duty. Past experience has proved to them that all their little secrets are safe and sacred with him.

MARRIED MEN, READ THIS!

"I have been married fourteen years; about five years ago I began to lose my muscular power, so much so, that I feared I would become impotent. I applied to several medical men, but got no relief, until, by mere chance, I applied to the Botanic Physician; he told me mine was a case that required time, but that he would guarantee a perfect cure if I only followed his advice. I put my name on his books; he made a calculation and ascertained what herbs would be most efficient and best adapted to my case. Ultimately, by attending closely to his advice, I recovered all my lost power and energy, and I am now stronger and a stronger man than I ever was.

Yours, gratefully, &c.,"

It affords me pleasure to recommend him to the unfortunate, for in the relation of malpractice, as a successful and experienced practitioner, he is now honor and integrity they may place the greatest confidence. JOSEPH LONGSHORE, M. D.

From J. Woodward, M. D., of Penn. University.

It gives me pleasure to add my testimony to the professional ability of the Author of the "*Medical Manual*." Numerous cases of Diseases of the Sexual Organs, some of them of long standing, have come under my notice, in which his skill has been manifest in restoring to perfect health, in some instances where the patient has been considered beyond medical aid. In the treatment of Seminal weakness, or derangement of the functions produced by *Self abuse*, or Excess of venery, I do not know his superior in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as a kindness to the unfortunate victim of early indiscretion, to recommend him to, in whose professional skill and integrity they may safely confide themselves.
