Cambridge colored band ren- ed some fine music in the Park Tuesday afternoon. They played for a dance here at night.

**If the auto cop had been in the avenue last Friday night he could have filled the jail with speed maniacs. Its an outrage against law and common sense to race up and down to the dance at the college as is done at every similar occasion. An awful accident is sure to result.

**Kent county is surely a land of beauty at this time of the year. Its landscapes are unsurpassed for loveliness while the air is ladened with the perfume of roses. Strawberries and fine chicken add a climax to the occasion.

**C. H. Brice has an auto license tag No. 3-513, dealer, found on road near Betterton.

**Bon Aire Cottage, Pen Mar, is now open, Mrs. B. F. Diehl having arrived there from Baltimore for the summer.

**S. C. Walls, at Price's Station, is making contracts for tomatoes at $20 per ton for Swing Bros.

**How about collecting our Kent soldiers, after they get back home in sufficient numbers, and setting them down to a feast of good things—a square and luscious Maryland meal? It is more than probable they would rather have this than a street parade.

**The Blaustein store at Rock Hall is now occupied by Frank Kline, "The Big City Store with the Little Prices." Look elsewhere in the Kent News for particulars.

**The Grand Jury of Queen Anne's county, in submitting its report to the May term of the Circuit Court, states that the laws with regard to the proper observance of the Sabbath are being openly violated. The report states that, in the judgment of the jury, "these offenses are caused mainly because of the example of the Government in staging Liberty and Victory Loan drives on Sunday."—Centreville Observer.

**The first and greatest need of the returning soldier will be his former job, or another just as good. And this is the end towards which those at home who feel an interest in the future of our soldier boys should direct their best efforts.

**It is said that farms for rent in Kent are certainly scarce. Mr. Gland goes from the Pomona farm to H. M. Baker's place on Chester river. Raymond Bowers has rented the Tyler farm now occupied by J. Frank Baxter, Mr. B. going on the Hossinger farm which he recently purchased. Fred Davis will tenant the Maslin farm while James E. Deford is reported as going to the Brice farm.

**W. O. Bringman is coming back to town having rented the room now occupied by Noland, Russell and Bennett.

**Medford Caple has been appointed engineer at the Chestertown Water Works vice John Ringgold, deceased.

Unless the voters of the cities can rally a greater strength than they now possess, the days of daylight saving are numbered.

"We know the clock's been turned back, but our cows don't," says the farmer voter, and with this as a war cry farmer delegations have arrived in Washington in force to put through an immediate repeal of the daylight-saving law.

So determined is the fight that the House Agriculture Committee had hardly been organized when it brought out a rider to the Agricultural Appropriation bill not only providing for the repeal, but prescribing that it shall go into effect withing two weeks after the passage of the repealer.

KIDNEYS WEAKENING?
LOOK OUT!

Kidney troubles don't disappear of themselves. They grow slowly but steadily, undermining health with deadly certainty, until you fall a victim to incurable disease.

Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with GOLD MEDAL Haarlem Oil Capsules now. Take three or four every day until you are entirely free from pain.

This well-known preparation has been one of the national remedies of Holland for centuries. In 1696 the government of the Netherlands granted a special charter authorizing its preparation and sale.

The housewife of Holland would almost as soon be without food as without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL Haarlem Oil Capsules. They restore strength and are responsible in a great measure for the sturdy, robust health of the Hollanders.

Do not delay. Go to your druggist and insist on his supplying you with GOLD MEDAL Haarlem Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL on the box and accept no other. In sealed boxes, three sizes.

Velvet
THE FRIENDLY TOBACCO

Horse Sense About Tobacco

Good tobacco ought to be like a well-bred hoss—all th' kick taken out but all th' sperit left in.

You see, half the secret of makin' a good hoss is in the breedin' an' half in the breakin'. Selectin' tobacco that's grown right is only *half* of makin' Velvet. The agein' is the other half.

Thar's only one kind of agein' that gets th' right results — *Nature's own.* Nature's no clock watcher. She does a job *right* whether it takes two years or two thousand.

So when she gets through with the fine Kentucky Burley that we put away in wooden hogsheads for two years, it's just *right.*

It ain't been hurried none, or short-cutted. It's a Nature-done job.

All kinds of things are packed in tobacco tins, but your good neighbor will tell you "Velvet is the real pipe tobacco." Prove it for yourself.

Build Now—Build Right and You Can Save Money

Now is the time to build and make improvements. On account of lack of building during the war our stocks are now full and complete and our prices are moderate.

Don't wait until everybody commences to build, a condition which would deplete stocks and tend to force prices up.

Look around your place now and let us figure with you on any buildings that should be erected or improvements that should be made.

With our modern mill and facilities we are in position to supply you with everything needed for building at prices that will save you money.
