Harvesting

Hay season is with us and as for the past 12 seasons so again this year we offer you the old favorite McCormick Mower.

Those of you who have bought the New 4 Mowers were well pleased with the service rendered but those who have bought the No. 6 McCormick for the last three seasons have found that it was possible to make even a better mower than the New 4 was. The horses can step slower but the knife will run faster than it did on the New 4. Makes no difference how heavy the grass you can stop and start as often as you like.

Binders

You have begun to think now that the straw is so heavy that there is doubt about your old binder going through the harvest. Makes no difference what your old binder was. When you buy this new one you want the best. Take it, point for point, we do not honestly believe there is a better binder made than the McCORMICK.

This is not a conclusion hastily arrived at but is the opinion of several hundred of users of it and other makes of machines. Has every modern improvement and is backed by the largest company in the business.

We have a few that are unsold. Place your order as soon as you can so that we may have time to set them up.

Repairs

Don't forget that when you want repair parts for these machines we have them. The largest stock of repairs in this section. Buy machines you can get repairs for when needed.

A WORTHY APPEAL

An appeal has been sent out the past ten days to the people of Kent county for the Armenian-Syrian Relief. The letter states,

"There is a child at our door, an Armenian child—hungry, tired, homeless—a poor, little, ragged orphan. the child really represents 400,00 in like condition, for that is the number of children who have survived the unspeakable horrors and incomparable sufferings of the Turkish persecutions. Their fathers and mothers were slaughtered in the massacre or died in the desert of starvation.

You have a Christian heart. If you knew that just one child in your town was hungry and homeless, with nobody to care for it, you would hurry to the relief through rain and sleet, snow and mire, your arms heavy with food and clothing. Nothing could daunt you. Shall a few thousand miles dry the wells of your sympathy? The world after, all, is a great neighborhood and suffering ever the same.

Besides, there are 2,00,000 Armenian grown-ups who suffer, chiefly old folks, for the young manhood has been killed and the young womanhood dragged into Turkish harems. The Armenians are a Christian people, and their sufferings have come upon them because of their refusal to renounce their faith and the ideals of Christian civilization.

This is the reason for the Armenian Syrian Relief (the Red Cross in the Near East), which, under proclamation of President Wilson, has appealed to the American people—Protestant, Catholic, Jew—for $30,000,000. The response throughout the nation has been gratifying. The campaign lacks, however, several million of the goal, and while our neighboring counties have raised this part, we have not done ours. Kent is asked for $2.300.

For the good name of our splendid county and for the sake of suffering humanity, the committee asks for a generous contribution. Mail your check or subscription card today to the treasurer, A. Parks Rasin, Chestertown. Do it NOW, "lest they perish." Fred. G. Usilton, is chairman, and Eben F. Perkins, vice-chairman."

COMMENCEMENT WEEK

Chestertown High School Hold Splendid Exercises—Elementary School Delight The Public With Beautiful Pageant—Rock Hall Graduates.

This has been Commencement week in the public schools of Kent. The Baccalaureate sermon to the graduates of Chestertown High School was delivered Sunday morning by Dr. H. B. Martin in Emmanuel P. E. Church. He chose as his text the lad with five loaves, each loaf representing one of the five senses. The doctor advocated more pay for teachers and gave some wholesome advice to the young folks. Special music was furnished by the choir consisting of Mrs. Allan A. Harris, Misses Stuart, Welch, Connelly, W. W. Chapman, T. W. Perkins and Mrs. Jesse Medders, organist.

The declamation contest held Tuesday evening in High School for the L. Bates Russell medal was an interesting event and participated in by a most excellent class, consisting of Charles Lewin Armstrong, Jesse Woodall Moffett, Milbourn William Jones, Flora Imogene Covey, Estella Marie King, Lillian Janette Willis. The judges were Dr. J. T. Alderson, Prof. W. Raymond Moody and Fred. G. Usilton. They unanimously awarded the medal to Miss King, of near Chestertown.

The program opened with a solo by Miss Helen Rouse with Miss Elizabeth Reed accompanist. Wm. Tomlinson Smith played a violin solo with accompaniment on piano by Robert C. Pippin. Master Vernon Kirby sang a solo with accompaniment by Miss Cora McWhorter. The closing number was a quartette by Misses Flossie Kent, Grace Bennett, Charles Armstrong and Clarke Davis.

Class night, as usual, was a noted event in the history of commencement week. Milbourne Jones, the president, put his class mates thru a most interesting program. The closing was perhaps the most unique part. Miss Hazel as prophetess foretold the future of each of the 23 and as it was pictured the classmate appeared in that particular role. All parts were most excellently acted but Alfred B. Cohen as "Madam Cohen" brought down the house as did the Jass Band.

The graduating exercises were held in William Smith Hall, Washington College, last night amid most beautiful surroundings. The graduates were as follows: Charles Lewin Armstrong, Robert Emory Atkinson, Flora Imogene Corey, Pauline B. Hazel, Estalla Marie King, Emily Elizabeth Lusby, Miriam Louise Leaverton, Jessie Woodall Moffett, Roselmer Rasin McKee, Mary Elizabeth Norris, Robt. Comegys Pippin, Emma Elizabeth Reed, Harold Hazel Rash, Mary Eugenia Simpers, Lillian Janette Willis.

Commercial—Mary Elizabeth Anderson, Grace Louise Bennett, Alfred B. Cohen, Ralph Clarke Davis, Milbourne Jones, Florence Hope Kent, Williamson Tomlinson Smith, Henriette Roeder Webb.

The program as arranged for the evening was as follows:

Greeting Song ..... Class
Prayer ..... Rev. G. T. Alderson
Class History ..... Grace Bennett
Declamation ..... Hazel Rash
Vocal Duet .... Florence Kent and Grace Bennett.
Essay ..... Mary Simpers
Declamation ..... Henriette Webb

Farewell Song ..... Class
Benediction ..... Dr. G. T. Alderson

The Elementary School of Chestertown gave a Pageant "Wheel of Destiny" on the lawn Thursday, June 12, at 6.30 p. m.

The following was the program: "Wheel of Destiny," America and her Allies present their folk games while Columbia and Uncle Sam stand guard. These folks games represent the recreation life of each ally.

United States. The Army and the Red Cross, represented by the 2nd grade.

Japan, Jepanese dance of greeting, Lantern Drill, and Swinging Games, primer and first grade.

English Group, Chimes of Dunkirk—Scotland, Reap the Flax. Ireland. Third grade. English May Pole Dance, Fifth grade; France, Vintage Drill, Fourth grade; Italy, Tarantella, Fifth Grade; Belgium, Belgian Tag.

"The Dance of the Poppies." Sixth grade. These representatives of the Allies are then formed in the "Wheel of Destiny," presided over by Columbia and Uncle Sam. It was a beautiful and inspiring event.

Commencement exercises of Washington College will begin on Sunday, June 15, with the baccalaureate sermon in William Smith Hall by Rev. Joseph Wilson Sutton, of New York City. The Y. M. C. A. exercises will be held in the Methodist Episcopal Church on the evening of the 15th, Rev. George T. Alderson preaching the sermon. A play will be given by the Dramatic Club of the college on Monday evening, June 16; declamation contest for the Simpers medal, Tuesday morning; the annual debate for the Rogers prizes in the evening at 8 o'clock, and the commencement exercises in William Smith Hall on Wednesday morning, June 18, at 10 o'clock to the graduates will be delivered by Dr. Murray P. Brush.

**There will be a public meeting at the Court House on Monday evening, June 16th, at 8 p. m. The meeting will be held under the auspices of the Anti-Race Track Association of Maryland and will be addressed by Dr. W. W. Davis, of Baltimore, H. F. Barber, of Freeland, Md.

**The Kent County Commissioners are waiting on the State Tax Commission for a certified copy of the banks and corporation before they can make the tax rate for Kent today.

**Three Marylanders were named on the casualty list given out at the War Department Wednesday, one of whom was Private James A. Smith, next of kin, Mrs. Mary A. Smith, Chestertown, wounded to a degree undertimed.
